## Safe Hit For \$1000; Other Loot Recovered

**Madison Police Find  
Merchandise Taken in  
2 Recent Burglaries**

A safe burglary in which thieves escaped with nearly \$1000 in cash was reported early this morning by Madison police who at the same time announced recovery of a large amount of loot taken in two other recent Madison burglaries.

The safe looting occurred at the Friedman store, 421 Madison avenue, where police believe the thieves remained hidden past closing hours yesterday to gain access to the store offices, since there were no signs of forced entry.

The recovered loot consisted of articles taken in a burglary last weekend at the B & E Lumber & Supply Co., 1228 State street, and the burglary March 9 of E. A. Friedman Co. warehouse, 612 State street, owned by the same firm whose safe was his last night.

**Police Discover Theft**  
Discovery of the safe robbery was made by cruising police who said they found a door open on the north side of the building about 2:30 a.m. today. They summoned E. A. Friedman, owner and operator of the store, who told officers the money in the safe appeared to be the main objective of the burglar since no merchandise appeared to be missing.

The officers were checked and the safe door was standing open when they discovered the theft, police said. They reported that the safe was unlocked. Friedman said that a detailed inventory had not been completed this morning but estimated the stolen cash amounted to about \$1000. The thieves removed a bar across the doorway on the north side to leave the building, police said.

The loot taken in the B & E Lumber and Friedman warehouse burglaries was found in a garage at a vacant building at Eighth and State streets where police acting on an anonymous telephone tip, and was taken to police headquarters yesterday after a two-day search of the clock store-out in an attempt to trap the thieves was unsuccessful.

**Building Staked Out**  
Chief of Police Emmett Piaz said the stolen articles were found by police late Sunday night. Police were staked out near the building through Tuesday with off-duty officers taking four-hour shifts, Piaz said, in the hope that the thieves might return to pick up the loot. Yesterday police reported that the men they sought were aware the place was being watched and would not return.

The recovered items included power tools, wrenches, socket sets and other articles valued at \$257 that were taken from \$500 worth of items taken in the B & E Lumber Co. burglary. Recovered loot from the Friedman warehouse burglary included a complete living room suite, kitchen cabinets and other furnishings. Friedman said the loss in the March 9 warehouse burglary was about \$1000.

**Home Burglarized**  
Burglars walked in through an unlocked door at the home of Floyd Burlingame, 2625 Iowa (Continued on page 6, col. 1.)

**MARVIN VAN METRE  
"Y" Executive Director**  
**Van Metre Named  
Executive Director  
For Local YMCA**

The Tri-City Area YMCA board of directors hired Marvin E. Van Metre as its executive director at an official board meeting held Monday at the YMCA, according to William L. Harris, board president. Van Metre, who succeeds the late Vernon C. Tharp, has been on the local "Y" staff since November 1966 as director of membership and adult program.

Prior to his move to Granite City, Van Metre served four different Associations since graduating from Iowa State University in 1960. His first position was as youth director with the Washington, Iowa, YMCA, moving to a similar position with the Wayzata Branch YMCA in Milwaukee, Wis. In 1966 he became the executive director of the Waukegan County YMCA, a Suburb of Milwaukee. He went to the Racine, Wis., YMCA in 1970 as associate executive.

He is married and has five children and all are in the Granite City school system. His wife, Jean, teaches for the Granite City schools as an instructor of homebound students. She is also a graduate of Iowa State University. Civic activities to which Van Metre belongs include the Granite City Rotary Club, the Mental Health Clinic Board and the Quad-Cities Social Concern Council, the latter of which he is currently president.

**Thief Strips Car, Then  
Lets Air Out of Tires**

A thief who apparently needed a variety of auto parts pried the lock off the garage door at the home of Winston Myers, 1721 Third street, Madison, Tuesday night or Wednesday morning, and did a thorough job of stripping Myers' 1967 sports model auto, Madison police reported.

He removed and hauled away the carburetor with chrome fuel, the horn ring and the tachometer. He removed the glove compartment, two inside door handles and took a chrome strip from below a door panel along with the car's emblem. The thief cut all the wires leading to the generator and then added insult to injury. Before leaving he let the air out of the two front tires.

**No New Filings for  
Three School Boards**

No additional filing of petitions by candidates for school boards of the three local districts were made this week, though some petitions are still out in the Granite City district.

The filing period closes on Saturday, and administration offices of all three districts will be open until noon that day to accept petitions. The withdrawal date is Tuesday.

**Expansion of the cost-plus  
sewer repair contract with  
H. Sebold Co., which  
already had been awarded  
the jobs of repairing three  
breaks in sanitary lines in  
the past six weeks, was  
approved Monday night  
by Granite City council  
members to include two  
breaks discovered over the  
weekend.**

Cost of the repair work on the initial break along an easement in the 2500 block of Lynch avenue is not yet known, and not even an estimate could be obtained from the city engineer's staff.

Council members do know the Lynch avenue break, which required repairs to the sewer lines 10 to 14 feet underground in the Nameoki area, should be raised—a project estimated to cost millions of dollars and possibly requiring another bond issue—and the possible pressurized sealing of the pipes with plastic from the inside.

After authorizing repairs at the breaks in the schoolyard at Nameoki grade school, opposite Amos avenue, and another in an easement at 2554 Waterman avenue, the council agreed to hear a proposal from the plastic sealing firm next week before proceeding with a survey to find if the line should be relocated above the water table.

Repairs are under way at the break discovered over a week ago under St. Clair avenue at Wayne avenue and at a sinking manhole in the 3000 block of East 23rd street.

Alderman Moerlein said he had read about the plastic sealing process in municipal magazines and how it saved several cities from having to spend millions to rebuild sewers.

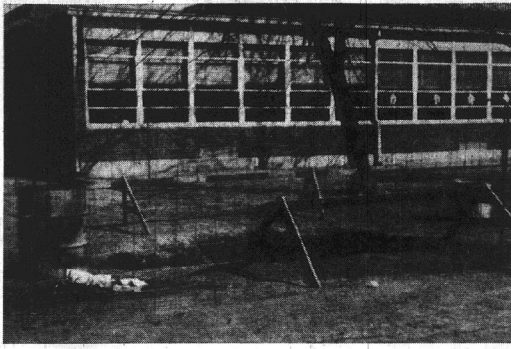

**Explanation Next Week**  
Mayor Parnell replied that he had conferred that day with representatives of such a firm (Continued on page 5, col. 1.)

**Broadway Blocked at  
Venice by Deraiment**

The Broadway crossing of the GM&O Railroad at Main street in Venice was tied up for more than half an hour yesterday when several cars were derailed as the train was about midway over the crossing.

Venice police rerouted traffic from Broadway over Klein and Fourth streets while train crews took more than half an hour to replace the cars on the tracks. Cause of the deraiment was not known.

The deraiment occurred at 11:05 a.m., police reported.

**LARGE, COSTLY HOLE** representing a sewer break under the Nameoki grade school yard off Amos avenue. Repairs are under way. So far, in a matter of a few weeks, five breaks in sanitary sewers have been discovered.

## Caine Steel Co. Takes Possession Of New Plant

Caine Steel Co. officially took possession of its new \$1 million plant in the Stephen Maeras industrial park on Monday. Mayor Stephen Maeras announced at a meeting of the city council Tuesday night.

The city financed construction of the plant and leased it to the firm. The city will begin collecting rentals of 10% a year on the cost of the development. The rental will be in effect for 20 years, with the firm to make payments on the basis of the tax rate for the last 20 years of a 40-year agreement.

The council agreed to update the city's Civil Defense operations with funds from Title Six of the federal Civil Rights Act of 1964 at the request of the re-organized state CD program.

**Update CD Unit**  
Mayor Maeras said the state organization first requested that the city set up a CD unit and was informed that the local unit has been in operation continuously since 1951. The mayor said the state then recognized that the city has a good operating unit. There also was a Madison CD program during world war II.

The council approved a recommendation of consulting engineers to repair an expansion joint on the Chain of Rocks Bridge at a cost not to exceed \$10,000, based on time and materials. The bridge is being closed for about three weeks.

The mayor was authorized to arrange for lane striping of Madison and McCambridge avenues and State street this spring, with the city to furnish the paint and the state to provide the labor and equipment.

**Right Turn Sign**  
The state division of highways authorized a right-turn-only sign to be placed at McCambridge avenue at Edwardsville road as a safety measure, and an ordinance is being prepared.

Plans were announced for ribbon cutting ceremonies and an open house at the new Burger Chef drive-in at 12th street and Madison avenue at 10 a.m. Friday.

City officials and the council are to host 11 members of the Order of DeMolay on next Friday to explain and demonstrate operations of city departments. The tour will begin after a luncheon.

## Levees Here Built to Hold Expected Record High Water

Prospects of serious flooding are indicated along the Mississippi River north of the Quad-Cities within the next few weeks, as heavy snow in Minnesota and other northern states begins to thaw, according to reports issued by the St. Louis District Corps of Engineers and the U. S. Weather Bureau.

Above normal rainfall, coupled with a rapid snow melt in the north, could produce severe flood conditions along most sections of the Mississippi River. As a preventive measure, the Granite City Army Depot has shipped more than three million sandbags in the past three weeks to various parts of the mid-west and requests for more sandbags are coming in daily, a Depot spokesman said.

In the event of emergency flood conditions, hundreds of generators and pumps are ready for shipment and an estimated one million sandbags still are on hand here.

The largest threat to the St. Louis District appears to be in a stretch of the Mississippi River between St. Louis and Saverton, Mo., centering south of Quincy, Ill., around Louisiana, Mo.

Meeting with levee district commissioners through the 26,000 square mile corps of engineers district have been set up. Teams of men also have been sent out to determine the availability of sandbags, lumber, plastics and other materials required for flood fighting. These same teams will also make a survey of local contractors and construction equipment that might be required for extensive flood fighting operations.

It is anticipated that representatives from the St. Louis Engineer District will meet with mayors and other civic officials to estimate the type and amount of flood fight effort required.

In this area, walls and dikes along the river were built high enough to withstand the highest flood recorded over a 50-year period, a Corps of Engineers spokesman said. At present, the river stage is a little over 8 feet.

Projected river rise at St. Louis—if snow melt is at a normal rate and precipitation very slight—is a crest of about 28.5 feet in May. Flood stage at St. Louis is considered to be 30 feet, but even at that point "there is no flooding to amount to anything," according to Dennis Slaughter, a hydrologist with the Weather Bureau in St. Louis.

Slaughter said there will be some flooding regardless of how fast the snow melts, but the amount of rainfall is the big question. With a normal melt and precipitation, it could be in excess of the floods of 1965 in this area, he explained.

Considerable flooding was experienced in 1965 on farmlands in the Chouteau Island area, between the Mississippi River and the Chain of Rocks Canal. According to Mrs. Ruby Overbeck, executive director of the Tri-Cities Red Cross chapter, extensive disaster preparations are under way in communities such as Quincy and Hannibal.

Because of the current conditions, an emergency chapter is reviewing their disaster preparedness plans to assure prompt and effective response to any emergency situation, the Red Cross official said.

The new contract sets up the 60-cent raise in four phases: 25 cents retroactive to March 1; an additional 10 cents on March 1, 1970; 15 cents on Sept. 15, 1970; and 10 cents on March 1, 1971.

The contract also provided longer vacations with employees eligible for four weeks after 13 years, and five weeks after 24 years.

The bus strike began March 1 upon expiration of the old contract and failure of the union and company to get together on new contract terms. More than 100,000 regular commuters on the Illinois and Missouri sides have been affected by the strike which left 900 buses idle in the garages.

## Pontoon Village Wins--Speed Cut By State on Rt. 111

A four-year naggle between Pontoon Beach officials seeking to have the speed limit reduced on Highway 111 within the village boundaries and Illinois Department of Highway authorities was finally resolved Tuesday when state highway personnel erected 50 mph signs along the disputed stretch of roadway.

Thomas Stalcoff, Pontoon village president, reported that six signs restricting highway speed to 50 mph were installed between Highway 162 to the south and north of Lakeview subdivision, near the village's northern-most boundaries.

The area, previously zoned for 60 mph speed, includes the Pontoon road intersection, site of the majority of auto accidents in the village area the past two years.

Several requests by the Pontoon Beach board of trustees submitted to state highway officials over the last four years, which sought to have the speed limit lowered and traffic signs installed at the Pontoon road intersection, had been rejected as infeasible.

Petitions were circulated among village residents in January and presented in person by Stalcoff to William Cellini, director of the Illinois Public Works Department, Springfield. At that time, the official promised to have district highway engineers revise the speed limit and make a feasibility study of the Pontoon road intersection in reference to traffic lights.

Stalcoff said to keep the state until the need for traffic signal lights at the Pontoon road intersection has been thoroughly studied and the problem resolved one way or another.

Stalcoff said the effort to cut down the number of collisions at the unlighted intersection, the village board recently authorized installation of two large overhead street lights at Pontoon road and Highway 111.

## Madison County Retains 1.0 Tax Multiplier

The coveted assessment multiplier of 1.0 has been reassigned to "Madison county for 1968 year," it was announced Tuesday by Miss Eulalia Hotz, county clerk.

The multiplier factor of 1.0 will eliminate any adjustments in 1968 property assessments and will permit Miss Hotz's office to proceed immediately with tax extension work.

Had the multiplier been changed all assessments would have had to be adjusted accordingly. Miss Hotz said she was assured the 1.0 multiplier would be continued during a telephone conversation with George Mahin, director of the Illinois State Revenue Dept.

Multiplying factors are set by the state revenue department on the basis of assessment ratios used by local assessors in determining property valuation for tax purposes. Unless valuations made locally average about 95% of full cash value, the state automatically increases the multiplier to bring assessments up to that ratio.

The total assessed valuation of Madison county on which 1968 tax bills will be based for collection this summer stands at a record high of \$950,217,064. Last year it was \$890,941,928.

Property assessments of the Quad-City area amount to \$285,387,858. The Quad-City area has \$8,046,275 over 1967 valuations of \$287,385,750.

Bulk of the Quad-City increase is in Granite City where the new assessment totals \$172,000, up \$15,300,350 over the 1967 valuation of \$166,697,285.

After announcing the next meeting will take place on April 2, Karandeff requested the committee develop suggestions for campaign leadership in the next drive set for October of this year.

He also wants suggestions for appointees to the Administrations and Distribution Committee, that considers all requests for funds resulting from the yearly drive.

Others attending were A. O. Smith Corp. representatives, Joseph P. Steinhauser and his wife, Mary, and two children, Daniel, a student at Grigsby Junior high school, and Susan, a junior at Granite City school, reside at 4016 Vesel avenue. Another son, Michael, married and lives at Holiday Hills Motor Court.

## On County Building Needs Seen

**Commission Proposed  
After New Sheriff's  
Office Turned Down**

Formation of a Madison county building commission to coordinate the county's building needs and to obtain properties was proposed at a meeting of the county board of supervisors Wednesday morning in Edwardsville.

A motion by Harry Briggs, Nameoki township supervisor to have the board's new building committee study the possibility, was approved after the board decided against awarding contracts to construct separate office facilities for the county sheriff's department.

Low bids totaling \$102,242 for construction of the sheriff's office were read, in addition to architects fees of \$633, but there were no bidders. The board's decision was based on the location of the building, the county jail, and a desire for coordination on new buildings. Numerous reports of inadequacy in the century-old jail building and the necessity for construction of a new jail soon, were cited.

**Building Commission**  
After approval of the bids failed on a 33-14 vote, Briggs took advantage of the timing to revitalize previous proposals for the building commission.

He noted that state statutes permit such county commissions to issue bonds for new county buildings, and federal matching funds could be available.

Robert Ford of Wood River township, who is usually defeated in his suggestions and proposals, won some backing after the first to voice an objection to the sheriff's office expenditure.

He said that Economic Opportunities Commission facilities could be incorporated into a new building, in addition to other facilities.

**Jail Inadequate**  
Marshall Smith, who called the current jail building "totally inadequate," said "we turn loose everybody we can." He admitted that recently an armed robber held in lieu of bond was freed because of (Continued on page 5, col. 4.)

**Solenberger Leaving  
UF to Go to Quincy**

John Solenberger, executive director of the Tri-City Area United Fund Office, submitted his resignation at a meeting of the 1969 executive committee held yesterday at the Hill Holiday Inn, effective June 1.

After serving in the local office for the past nine years, he will accept the position of associate director of United Fund of Adams county at Quincy, Ill.

Henry D. Karandeff, president of the UF board, presided at the business meeting and announced his appointment of three men to join the board elected at the annual meeting held on Feb. 14. They are Richard Lich, president of the Castings Division of General Steel Industries; Homer Huber of Feder-Hub Furniture Co.; and Paul J. Kemp, plant manager of A. O. Smith Corp.

After announcing the next meeting will take place on April 2, Karandeff requested the committee develop suggestions for campaign leadership in the next drive set for October of this year.

He also wants suggestions for appointees to the Administrations and Distribution Committee, that considers all requests for funds resulting from the yearly drive.

Others attending were A. O. Smith Corp. representatives, Joseph P. Steinhauser and his wife, Mary, and two children, Daniel, a student at Grigsby Junior high school, and Susan, a junior at Granite City school, reside at 4016 Vesel avenue. Another son, Michael, married and lives at Holiday Hills Motor Court.

## Job Openings Range from Bag Boy to Bookkeeper

Job openings continue to exist in the Quad-Cities, according to Malcolm A. Thompson, manager of the local office of the Illinois State Employment Service.

Thompson said today openings for males include plant workers, bag boys, greengrocers, porter, salesmen, a counter, welders and draftsmen. Openings for women are stenographer, typist, bookkeepers and cooks. Interested persons should visit the Employment Service office at 2050 Iowa street, Thompson said. He stated the service provides help in securing jobs to all persons.

There is no charge for this service which is provided by the state. The service also is available without cost or obligation of any kind to employers.

## Area Firemen on 12 Calls--Mostly Grass Fires

Quad-City firemen were kept on the move Monday afternoon and Tuesday in a series of 12 fire calls—eight of them in Granite City. Most of the alarms in Granite City, Venice and Madison were for grass and auto fires.

Granite City firemen answered calls shortly before noon Monday to 2916 Willow avenue, at 12:05 p.m. to 1540 Lindell blvd., at 3:25 p.m. to 1645 Spring avenue, and at 3:57 p.m. to 2809 Willow avenue, all for grass and weed fires at which firemen reported there was no damage.

At 5 p.m. Granite City firemen were called to 2838 Madison avenue where a car owned by M. A. Graff caught fire. Damage was estimated at \$100. Another alarm at 11:30 p.m. Monday took firemen to 1900 Edison avenue where the contents of a carbide refuse container had caught fire. There was no damage.

Tuesday, firemen were called at 8:30 a.m. to 19th street and the railroad tracks where a carburetor backfire set fire to the motor of a car owned by John Phipps. Firemen estimated damage of \$50 to the auto. At noon Tuesday, Granite City firemen were called to 2300 Dale avenue to extinguish another weed fire. There was no damage.

**Box Car Burns**  
A burning box car loaded with paper, the third such fire in recent months, took Venice firemen to the Terminal Railroad Association yards at 1:45 p.m. Monday. Firemen were at the scene an hour and a half. The freight car and cargo were damaged extensively. Cause of the fire was undetermined.

Venice firemen were called at 2:10 p.m. Monday to the Merchants Highline to extinguish another grass fire. They were at the scene nearly an hour. At 3:25 p.m. another alarm took firemen to a grass fire at 100 Granville street by the railroad tracks.

Madison reported one fire call Monday. Firemen there were called shortly before noon to Webster street and the railroad tracks to extinguish a weed fire.

## Woman Hurt in Fall Suits \$20,000 from GC

Referred to City Atty. Scroggins by the Granite City council Monday night was a circuit court summons in a \$20,000 personal injury suit filed by Mrs. Pauline Smith, 1740 Spruce street. Mrs. Smith was hurt in a sidewalk fall at Niedringhaus avenue and Maple street on March 1, 1968. The return date on the summons is April 4.

Also referred to the city attorney was a notice from George Filcoff, local lawyer, for Bryan L. Waggoner III and James Reese, 1108 Kirkpatrick Homes, whose auto was damaged when it slid into an excavation across Frey's lane. It was pointed out the excavation for a city storm sewer line was not barricaded. Council members advised Scroggins to also notify the project contractor of the pending suit.

In 4 letter, Atty. Scroggins recommended the city pay \$272 to Mrs. Gilbert Watson for damages to her car on March 4 when it was struck by a police car that went through a stop sign in a pursuit.

Scroggins was asked to follow up on his letter to the Metro-East Journal, East St. Louis, complaining of littering in the distribution of a handbill throughout the city. Scroggins said he was expecting a reply from the Journal's lawyer.

Several aldermen complained the distribution was cluttering yards and streets and residents are complaining. It was recommended that if corrective steps are not taken for door-to-door distribution that nuisance complaints will be filed.

## Break Car Window

Vandals broke the rear window out of her 1958 auto parked at her home, Mrs. William Schrader, 602 Washington avenue, Venice, reported to police Monday. Officers said two bricks were thrown through the window and were found inside the auto.

## Rendleman New Director of 1st GC National Bank

Harold R. Fischer, chairman of the First Granite City National Bank, announced today the appointment of John S. Rendleman, chancellor of the Southern Illinois University-Southwestern campus, as a director of the bank.

"It is very gratifying to all of us that Mr. Rendleman has consented to join the First Bank Team," Fischer commented. "We are confident that with his rich background of experience in both the business and academic fields, he will make an invaluable addition to our board of directors and that his counsel and advice will be very helpful to our administrative staff."

## Liquor Store Employee Suffers Gunshot Wound

Dan Dawson, 32, of 2512 Lincoln avenue, was wounded in the right hand shortly after 4 p.m. Monday when a man fired one shotgun blast at him from a car as Dawson stood in the doorway of the Naborhood Liquor Store, 2530 N. Main-st. road, where he is employed.

Dawson was taken to St. Elizabeth Hospital where he was treated for punctures from several shotgun pellets and released.

Police said Dawson was standing in the doorway of the liquor store when a groom approached, stopped and the driver fired at him. The car then sped away.

Police were given a description of the motorist and the car along with a license number, and at 1:45 p.m. Tuesday, LeRoy Smith, 28, of 2642 Lincoln avenue, was taken into custody on a warrant filed by police at 23rd street and Madison avenue about 9:30 p.m. Tuesday on a charge of careless driving.

## Careless Driving Count

Edward Grove, 2420 Illinois avenue, was ticketed by police at 23rd street and Madison avenue about 9:30 p.m. Tuesday on a charge of careless driving.

## 3 Auto Crash Victims Still Hospitalized

Physicians at Firmin Desloge Hospital, St. Louis, are hopeful that Miss Barbara Heth, 17, daughter of Mr. and Mrs. George Heth Jr., 3022 Washington avenue, will regain consciousness at anytime and report her condition improving, her father said yesterday.

The Granite City high school senior was one of five young people injured in a two-car crash at 19th and Adams streets last Thursday afternoon. Miss Heth, who was thrown from the vehicle, also suffered a fractured collar bone and badly lacerated right foot, her father said.

Robert Clark, 22, of 2433 (r) Missouri avenue, driver of one of the vehicles, remains in fair condition at Firmin Desloge Hospital, where he was removed from the hospital's intensive care unit earlier this week. He sustained lacerations to the scalp and head injuries.

Robert Turner, 20, of the Missouri avenue address, a passenger in the Clark auto, is in satisfactory condition today at St. Elizabeth Hospital. He suffered lacerations to the scalp and right knee and multiple abrasions.

Edward Finazzo, 18, of 2120 Saratoga avenue, operator of the car in which Miss Heth was riding and another passenger, Miss Carol Hagnauer, 17, daughter of Township Supervisor and Mrs. Nelson Hagnauer, 2708 Saratoga, were released from the local hospital Tuesday.

## Council Reduction Backers Say 'Yes' Vote Saves Money

"What are all those 'Vote Yes, Apr. 1' stickers doing on auto bumpers in Granite City? I thought that was the day we are to vote on city and township officials."

Such comments are numerous because the stickers fail to give details, and because there has been little public discussion on the referendum to reduce ward representation to one alderman each instead of the present two aldermen.

An informal organization headed by Warren L. Decatur circulated petitions to obtain the referendum and at present is encouraging Granite Cityans to cast a favorable vote.

The stickers intentionally say little because it is hoped to arouse public interest.

## Seek Public Awareness

Those who ask questions about the ballot are provided with answers. And it is felt that, by asking, a voter has recognized the existence of the referendum—a major hurdle in the development of public backing.

What is the relatively quiet campaign all about?

The ballot will ask, "Shall the city of Granite City restrict the number of aldermen to one-half of the total authorized by Section 5-2.2 of the Illinois Municipal Code, with one alderman representing each ward?"

Space is provided for an "X" for either "Yes" or "No."

The stickers urging a "Yes" vote are blue. So are the special ballots which will be given to voters at the same time they receive their ballots to choose

## John Wyatt, 67, Dies; Retired Pipefitter

John Wyatt, 67, of 2208 Delmar avenue, was pronounced dead upon arrival at St. Elizabeth Hospital at 1:06 p.m. Tuesday. He had been ill since last October, his death was attributed to cancer.

Born in Stewart county, Tenn., he had lived in this area since 1941. He had retired two years ago after having been employed as a pipefitter at Granite City Steel Blast Furnace.

Mr. Wyatt was a member of the Second Baptist Church. Surviving are his wife, Gerline; and four daughters, Mrs. Maxine Rutter, Mrs. Frances Rossi, of Granite City, Mrs. Betty Snyder of Lebanon, Pa., and Mrs. Shirley Nolan, Poca-honah, Ill.; 10 grandchildren and six great-grandchildren.

Funeral services are given in today's obituary column.

## Mrs. Estelle Marcus, 70, Dies; Ill 4 Months

Mrs. Estelle L. Marcus, 70, of 2417 Adams street, died at 8:45 a.m. Wednesday at the Colonnades Nursing Home of Cancer. Ill since November, she had been a patient in the nursing home for three weeks.

Born in Dover, Tenn., she made her home in Granite City since 1918. She was a member of the Second Baptist Church and a former Sunday school teacher there for many years.

She is survived by her husband, Charles H. Marcus; one son, Charles "Bob" Marcus; one daughter, Mrs. George (Betty Lou) Boston of Collinsville; seven grandchildren and one great-grandchild.

Funeral arrangements are given elsewhere in this issue.

## Checks for Poll Judges Ready at GC Twp. Office

Granite City Township Supervisor Nelson Hagnauer announced today that pay checks for polling place judges in the March 21 primary election for state senator are now available at the township office, 1808 State street.

Office hours are from 9 a.m. to 5 p.m. Monday through Friday.

"If a majority of those voting upon the proposition vote in favor of it, all existing aldermanic terms shall expire as of the date of the next regular aldermanic election, at which time a full complement of aldermen shall be elected for the full term. At amended by approved July 25, 1963, L. 1963, p. 1838."

In suggesting passage of the referendum, the group led by Decatur makes such points as these:

"1. Present aldermen vote against each other more times than a single alderman would absent. When they vote against each other, the ward in effect has no representation.

"Seven Can Set Policy

"2. The school board is run with seven men with no pay, and their budget is three to four times that of the city budget."

"3. Last but not least is the saving in salary. Each alderman receives \$50 per meeting; seven times that is \$350."

Petitions containing 1800 signatures were filed Sept. 20 in the hope of having the issue decided simultaneously with the Nov. 5 general election. Only eight days were utilized in meeting the filing deadline and topping the minimum requirement of 1500 signatures.

However, the council voted on Oct. 21 to schedule the referendum on the same day as the biennial aldermanic election. This action delayed the effectiveness from the spring of 1969 to the spring of 1971, assuming a favorable public vote.

**New State Position For Miss Cunningham**

Miss Evelyn Cunningham of Springfield, Ill., formerly of Granite City, West Central Regional consultant nurse, has been appointed acting Regional Health Officer. She will temporarily fill the position vacated by the death last October of Dr. Wilmer M. Tolbert.

Dr. Tolbert served as West Central regional health officer from 1935 until his death in 1968. Miss Cunningham will continue her regular position. She received her Bachelor of Science degree in Nursing at St. Louis University and began her work with the Illinois Department of Public Health as a clinic nurse in Madison county in 1946. She is a daughter of Mrs. Bertha Cunningham, 2903 East 24th street, and the late Fred Cunningham.

## Rate Rising, Schools Await Bond Issue Bids

Another increase in the prime  
rate of major banks this week  
has clouded the Granite City  
school district \$4,750,000 con-  
struction bond sale at 7:30 p.m.  
Wednesday, but there is  
still hope of receiving bids be-  
low the 5% interest rate stipu-  
lated on the Dec. 7 bal-  
lots.

Some school bond sales with  
5% and 5 1/2% ceilings elsewhere  
in the U. S. have failed to at-  
tract bids this year, and the out-  
look darkened when several ma-  
jor banks added 1/4 of 1% early  
this week to the interest they  
have been charging their big-  
gest and most credit-worthy bor-  
rowers.

Despite the trend, there is  
optimism here because of the  
relative soundness of the prop-  
erty tax base and the financial  
condition of local governmental  
agencies.

## Charter Member Is Honored

A charter member of the  
week's Sewing Circle of the  
John's United Church of Christ,  
Mrs. Pauline Schroeder, who  
was celebrating her 90th birth-  
day, was honored Wednesday.  
The pastor, Rev. Paul Surbey,  
who was also observing a birth-  
day, shared honors with Mrs.  
Schroeder.

Many gifts, including an anni-

## NEWCOMERS DISCUSS STYLE SHOW, TEA

The Newcomers club held its  
March meeting Monday evening  
at Betty's Chuckwagon with  
Mrs. Betty Schuster, president,  
presiding.

Mrs. Donna Jones presented a  
secretarial report in the absence  
of Mrs. Gloria Tanner, who was  
called out of town due to a  
death in the family.

A financial report was given  
by Mrs. Joan Van Metre, treas-  
urer, and Mrs. Jean Reins an-  
nounced that a bake sale will  
be held Saturday at the Maryland  
Market.

Announcement was made by  
Mrs. Pat Kalips that a silver  
tea will be held Oct. 18 at her  
home, 3215 Erin drive, and that  
the annual style show will be  
held Aug. 20 at Tri-Mor Bowl.

Refreshments were served  
and Janet Martin showed  
how to finish ceramics.

Ceramic coin dishes were given  
to Mrs. Carol Anderson. Guests  
were Mrs. Norma Veil and Mrs.  
Betty Rea.

Others present were Mes-  
dames Jean Anderson, Nita Dine,  
Harriet Lovins, Shirley Morris-  
son, Linda Ogden, Marilyn

## WHITTE BY WHITTE CROWNS MRS. BRIDICK

The Whittle By Whittle club  
of Take Off Pounds Sensibly  
held a weekly meeting Monday  
evening at the East Side Leage  
building. Officiating were Mrs.  
Peggy Hackney, leader, Mrs.  
Linda Bronnauer, weight re-  
corder, and Mrs. Nancy Ber-  
nais, secretary.

Mrs. Bronnauer won the even-  
ing's contest. Mrs. Sharon Brid-  
ick was crowned as queen of the  
week.

A discussion was held on re-  
vising penalties for weight  
plans. Plans were made for an  
Easter weight contest.

A recreation period was held,  
where games played. Announ-  
cement was made that the yearly  
election of officers will be held  
at next week's meeting. Those  
interested in joining the club  
may call Mrs. Hackney at  
877-4378.

Those present were Mes-  
dames Mary Jo Akeman, Fran-  
ces Coleman, Sharon DePew,  
Gloria DeRuntz, Edith Ware,  
Agnes Kern, Jacqueline King,

## SORORITY TOURS LOCAL CYS OFFICERS

Beta Sigma sorority met Tues-  
day evening in the Coordinated  
Youth Services office to view  
the clothing center and hear an  
explanation of the work, given  
by C. A. MacMillan, director.

The group then went to the  
home of Pam Wilson, 4025 Mary-  
ville road, for a short business  
meeting and refreshments.

Sandy Cavar received a gift  
from her "secret pal," and  
plans were made for the next  
meeting in the home of Shirley  
Long, 41 Villa drive, April 15,  
preceded by supper at the Rose  
Bowl.

## PARKER INFANT CHRISTENING CEREMONY

James Christopher, infant son  
of Mr. and Mrs. James Parker,  
2008 Amos avenue, was christ-  
ened this week at St. Elizabeth  
Catholic Church by the Rev.  
George Marlock.

Sponsors were an aunt and  
uncle of the baby, Miss Pat  
Parker and Chris Hamilton. After  
the christening, Mr. and Mrs.  
Parker entertained members of  
the families at a luncheon and  
party in their home.

and would like for the proposal to be submitted to the entire council. This is being arranged for next Monday night's meeting.

Partney said the process requires a close-circuit television inspection of the line costing 35 cents a foot. The packer operation to plastic seal the pipe joints would range from \$4 to \$10 a foot. The mayor added that the sealing could be done where the sewer pipes have sagged or turned, but if crushed pipes are found, they will have to be dug up and replaced.

Alderman Bartosik questioned the benefits of inside sealing of sewer lines that are in quicksand. Whitmer suggested the council wait on any undertaking until learning the cost of the repairs.

**Other Breaks Expected**  
Street Supt. Warfield advised council members that more breaks can be expected. "This is a serious thing. The pipes will either have to be raised out of the water or sealed."

A recommendation to hire an engineer to inspect the lines in the city was made by Alderman Johnson. "We have to do something. At the rate these breaks are occurring, they will bankrupt the city. It appears to me we should get the sewers out of the water."

Alderman Fry said the city's only hope is to follow a recommendation made 10 years ago to properly drain the Nameoki area, especially the troublesome Dobrey slough area, to lower the water table. The recommendation, he said, was for a large drainage ditch along the Alton and Southern Railroad tracks. "Our only way to get rid of the water is to drain Dobrey slough. Studies show there is not enough drainage."

**Special Improvements**  
Late in the meeting, Alderman Johnson remarked that if the city council plans to proceed with its special improvement projects, budgeted at \$109,000, that arrangements should be made for all engineering so that bids can be sought.

Basarich motioned for the special improvement projects to be declared emergencies so that funds could be made available, and the debate started. His companion Fifth Ward alderman, Nomm, pointed out that a one-block Maple street improvement project had been ready to go for two months but bids had not been sought. "The same thing for the Meridian

## Protestant Welfare Aid In February Totals \$440

A total of \$440 was issued in relief by the Protestant Welfare Association during the past month, according to a report made by Mrs. Marie White, office secretary, at the March meeting of the Association.

Twenty-three orders were issued with relief distributed as follows: Food—\$191; rent—\$88; medical—\$8; utilities—\$83; and new shoes and clothing—\$89.

The agency handled 10 new cases, nine recurrent and 18 incidental.

The meeting was held Tuesday evening at First Granite

street improvement, where the sidewalk is 14 inches above the street level and presenting a hazard. The engineering work is completed on these two."

It was brought out that engineering was completed on most of the proposed special improvement projects.

**Plans Not Available**  
Comptroller Stevens replied he could not call for bids, since the plans were not available.

"The engineer has them and will provide them to you," Nomm stated.

The engineer, Kenneth Kleberger of Research Planning & Design Associates, asked, "For free?"

In anger, Nomm stated: "You've always been paid. Why won't you turn loose the plans?"

The argument was interrupted by Fry, who pointed out the payment to the engineer should be made if there was a proper motion. He added that the city attorney had outlined this in detail months ago, but no one had ever made the motion for the funds to be obtained from the contingent account to make the payment, estimated at \$600 to \$700.

Parmley then commented, "If Basarich will change his motion, we can pay the engineer and get started on the projects."

**Motion Is Changed**  
Basarich and Nomm agreed to change the emergency motion to the fund transfer to pay the engineer, get the plans and proceed with the call for bids.

The vote was interrupted by Whitmer before it even was started.

"I know you'll say I'm not running for re-election this time, but I don't think anyone favors putting this city in the red and that's what we can do if we go ahead with \$109,000 special improvements when we

don't even know what the sewer break repairs will cost."

He was joined by Rutledge, who added that while the city was in good financial shape in January, "the five sewer breaks could eat up every dime we have and we could be in the red and not even know it."

Whitmer pointed out that every sewer break could eat up every dime we have and we could be in the red and not even know it."

Alton Supervisor Alton May called attention to the H. W. Lochner & Associates report of 1966 regarding the city's building needs which then showed that the remaining usable life of the current jail was three years with no feasibility of expansion.

Low bidders for the office building were G. H. Sternberg Co., Granite City general contract, \$72,788; France Plumbing & Heating, Edwardsville, \$72,788; and ABC Electric, Granite City, \$81,500.

**Sanitarium Transfer**  
During the meeting it was reported that the Madison County Board recommended that all of the facilities at the sanitarium, with the exception of five acres for future use as a TB clinic, plus a balance of \$350,000 be turned over to the county for conversion as a nursing home.

But after a discussion, supervisors objected to obligating the county and urged the sanitarium board to expedite the remodeling of the sanitarium for nursing home facilities to meet state requirements.

There were objections that \$350,000 be spent in meeting state requirements, and Mr. Rutledge of Collinsville township, chairman of the nursing home committee, said, "It is not a fact that we will spend \$350,000. We will spend what is necessary to meet state requirements."

He complained, however, that the county is losing \$500,000 for every month that the TB sanitarium stands as a "white elephant."

Smith, who advised against accepting the 55 acre-grounds now, told the board that efforts will be made to have representatives of the state board of health to personally investigate the facilities within the next month in an effort to lower remodeling costs.

He added, "We have run into a snarl in transferring funds because of sanitarium levies being based on a fiscal year which is different from that of the county."

**Tax Collections**  
A request from John Maerz, county treasurer and tax collector, and R. W. Griffith, state's attorney, for an appropriation of \$63,850 to finance collection of delinquent personal property taxes, was referred to the finance committee with instructions for a report at the next meeting.

The appropriation would provide for salaries, expenses, equipment and court costs and would be repaid from collections and fines.

The board amended its rules to permit purchases of less than \$750 without calling for bids.

City Atty. Scroggins said he was not aware of any such procedure but would check it out. Boyd finally was able to answer Rutledge. "I don't know of any alderman holding up paying the \$600 to the engineer."

Fry commented, "This has not gone to the mayor to sign. It's the city treasurer who's not making the payment. Tonight is the first time a proper motion has been made to provide a means to pay the engineer."

"It's a crying shame those sewers were not put in properly and we have this added cost of sewer breaks. I wasn't on the council when they went in, but if I had been, I would have seen that the job was done right," Fry added.

Parmley remarked, "Let's go ahead. I think the man should be paid. Let's approve this and then we'll see if he's paid."

The final remark was by Basarich. "Seems to me there's a lot of smoke clouding this issue."

In the roll call, the vote was 13-2 for the fund transfer. It was after 11 p.m. and Dallas had left for work.

Those favoring it were Moeilen, Bartosik, Whitmer, Boyd, Poulos, Green, Rutledge, Basarich, Nomm, Parmley, Robertson, Dawes and Johnson. Opposed were Fry and Jarrett.

(An additional account of current criminal proceedings at the court appears elsewhere in this issue.)

Smith objected to piece-meal building and said sufficient funds could be found to get federal matching funds of \$500,000, a \$600,000 cushion without adding to the tax burden.

"We ought to thoroughly consider getting some federal money through Civil Defense (with C D facilities to be incorporated in a jail-office building), though it may take a year to do this."

The board approved investment of \$50,000 in Civil Defense funds now currently needed in six-month federal treasury notes.

## Japanese Businessmen Coming Here in April

Madison and Granite City Rotarians will be hosts on Monday, April 21, and Tuesday, April 22, to a seven member study group from the Rotary District 20 in Japan.

The extensive tour of District 646 in Illinois was arranged by Rotary International. President of the District, T. K. Smith, has congratulated the local district "for undertaking one of the most meaningful and purposeful Rotary programs in receiving and entertaining a group study exchange team."

He has urged the hope to the team that "you will not only take back with you a wonderful story but will make many friends."

Points to be visited in the Quad-Cities are currently being selected.

**First for This District**  
Robert D. Blair, governor of District 646, points out that this is our first time to host a group study team.

"It is our hope that these men will return to their country feeling that they have a little better concept of the people of the world and realize that men everywhere have the same ambitions — peace for the world, love for their families and a genuine loyalty to their own country."

"May these eight weeks of sharing together and being together be a great international relations experience for us as well as for those coming here from Japan."

**Crops, Industry, Arts**  
Gov. Blair has named as chairmen of the exchange committee James A. Dunlap and Kenneth Bulkeley. In a joint statement, they note that "west central Illinois leads in the production of agricultural crops and hog raising. There are industrial areas, and each town takes pride in its many associations concerning the arts."

"Our Rotarians and their families feel privileged to be hosts and will endeavor to make it a memorable occasion."

Before arriving here, the group will have visited Springfield, field, Pekin, Canton, Delavan, Manito, Morton, Peoria, Macomb, Bushnell, Marmouth, Champaign, Alton, Springfield, Keokuk, Galva, Beardstown, Rushville, Mount Sterling, Jacksonville, Roodhouse, Quincy, Pittsfield, Alton, Wood River, Edwardsville, Highland and Collinsville.

**Departure on May 4**  
After the Quad-City visit, the tour group will visit Bethalto, Carlinville, Bend, Staunton, Virden, Springfield, Auburn,

The previous limits were \$500. Increased costs of equipment and furnishings and the costs of local advertisements for the bid calls were listed as reasons for the increase. It first was proposed to hike the limit to \$1000.

It was announced that salaries and expense checks for judges and booths used in the recent state senatorial election totaling \$22,474 are to be mailed to township supervisors as soon as they are ready.

Purchase of 23-liter roller shelving for the recorder of deeds office from the Sheppard Office Supply Co. of Edwardsville on a low bid of \$6579 was approved.

An appropriation of \$2710 for the new police merit commission was approved.

It was reported that 24 TB clinics were held during February, with 518 examinations and 471 x-rays being given.

Average residency at the county nursing home during the month was 59.

Ten persons opposed to the Maers administration attended the meeting and engaged the mayor in a discussion following adjournment.

Among them was Steve Kaman, former building inspector in the administration who is opposing the mayor in his bid for re-election next month.

Points covered included industrial developments and tax arrangements, a possible bond issue for more industries, employment at the industrial park, a close watch by police of the operation of an auction business and the current political situation.

**Mayor Maers** commented later that he would like to have more elections as it is the only time some of the public attend city council meetings.

### Problems of Aged Conference Tomorrow

Jerry Woolen, director of the St. Louis Metropolitan Area Health Welfare Council, will be the keynote speaker tomorrow at an all-day conference on "Problems of the Aged" at Southern Illinois University-Southwestern campus.

Registration will take place at 9 a.m. Friday in the SIU-SW University Center Ballroom. A \$3 fee will include attendance, materials and noon meal.

The conference is open to all interested persons, according to Maurice S. Harris, director of the Madison County Economic Opportunity Commission, sponsors of the program.

Following the keynote address, participants will divide into workshop sessions, relating to housing, health, income, transportation and employment. Leading the individual group sessions will be Madison county resource agency personnel.

Consultative assistance will be provided at the conference by specialists from the Illinois Governor's Office of Human Resources; Illinois Council on Aging; and the Regional Office of Economic Opportunity, Chicago, Harris said.

A kitchen window was raised to admit entry to a burglar at the home of Emma Locust, 330 Weaver street, Venice, but nothing apparently was taken. Venice police reported Monday. Officers said the occupant of the house is in the hospital and a complete inventory could not be made.

**\$106 ADC Check Stolen**  
Barbara Wyatt, 4708 Kirkpatrick Homes, told police at 5 p.m. Tuesday that her apartment had been entered by three persons who cut a screen to enter the rear door and steal her state Aid to Dependent Children check for \$106. She said she saw the persons leave through the front door as she entered her apartment.

Cecil Mancoli, band instructor at the Venice school reported to Venice police at 3 p.m. Monday that a trumpet belonging to Charles Isaac, a 6th grade pupil, was stolen while Isaac was in gym class.

Two electric drills, several sets of socket wrenches and other tools valued at \$200 were stolen from the garage of Harold Wright, 731 Twenty-eighth street, police reported at 4 p.m. Monday.

A thief who apparently entered through an unlocked door, stole the wallet of J. H. Bartels, 210 Adams street, from a dining room bureau Wednesday, while Bartels and his wife were outside working in the yard. The wallet contained \$3 and credit cards.

**Theft Attempt**  
An unsuccessful effort to remove a currency changer from the wall of the laundromat at McCambridge avenue and Edwardsville road was reported at 9:50 p.m. Tuesday. Madison police said the changer was pried loose but the thief was unable to get it off the wall. Several boxes of tools, one containing a small gun, were stolen from the parked van of Charles Jungels on a lot at 1924

Barnett Lee Roy Greenman, 55, of 2307 August street, an Air Force retiree, was pronounced dead upon arrival at St. Elizabeth Hospital about 11:30 a.m. yesterday, where he was taken by ambulance from home. He was believed to be in good health. An inquiry is pending.

Born in Elmhurst, Ill., Mr. Greenman had resided in Granite City almost all his life, returning to the community between duty assignments overseas. He had retired from the Air Force in January 1965 after 22 years in service. Since retiring, he had been employed as a security guard at the Aeronautical Chart and Information Center in St. Louis.

Surviving are his wife, Mrs. Geneva Greenman; one daughter, Mrs. John (Janice K.) Wideman of Granite City; two sons, Gary Lee and Ricky Gene Greenman, both of Granite City; his mother, Mrs. Fannie Greenman of Collinsville; and three grandchildren. Funeral arrangements are given in today's obituary column.

**Excessive Noise Charge**  
Lorenz Judd of 83 Garechse Homes, Madison, was charged Tuesday evening by Granite City police with making excessive noise (squealing tires) with an auto at 20th and State streets.

Edison avenue on Monday, he reported to police Wednesday. No value was placed on the loot. Several locks on the van were broken.

Thieves hauled off two state top, 438-foot pool tables from the burned out Club Delmar, 1340 Delmar avenue, it was reported to police Wednesday by William Morgan, 2035 Sherman avenue. The tables belonged to a Collinsville vending firm.

**1965 Auto Stolen**  
The car of Donald Winnie Jr., 2200 Harding street, was stolen from the parking lot at American Steel Foundries between 7 a.m. and 4 p.m. Monday. Winnie reported to police at 4:30 p.m. Police said the car was a 1965 white two-door model. A 1966 two-door model auto was stolen from Metro-Lincoln Mercury, Inc., 1508 Madison avenue, it was reported to police Monday. The maroon auto bore no license plates, officers said.

## Elite Eight Vying for State Title This Week

With the "sweet 16" trimmed to an "elite eight" by super-sectional games Tuesday, attention will shift Friday and Saturday to Champaign, where the 1969 Illinois high school basketball championship will be decided.

Friday's schedule follows: 12:15 p.m., Mount Vernon (23-4) vs. East Aurora (25-2); 2 p.m., Peoria Spalding (26-2) vs. Belleville East (23-8); Galesburg (25-3) vs. Champaign Central (23-3); and 8:45 p.m., Waukegan (23-5) vs. Proviso East (27-1).

Semifinals are set for 12:15 and 2 p.m. Saturday, with the third-place game at 7 p.m. that day and the title game starting at 8:45 p.m. Saturday. Belleville East, which split two games with Madison during the season and nearly lost to Venice in regional play,

trailed Mattoon on Tuesday at Charleston until the final quarter, when the Lancers applied a pressing defense and pulled out a 47-45 victory.

Other results Tuesday saw Peoria Spalding win over Lincoln 47-41, Mount Vernon surprise Carbondale 71-63, Proviso East rally from 14 points down to nip Chicago Hirsch 47-46, Galesburg defeat Quincy 77-64, East Aurora eliminate Dixon 67-50, Waukegan upset Thornton 63-61 and Champaign Central use three overtimes to edge Normal 55-53.

Favorites at Champaign are Proviso East, Galesburg, East Aurora and Peoria Spalding, but the Belleville East quintet has shown a consistent ability to overcome enemy leads and to topple favored teams. It is the Lancers' first state tournament bid.

## Howard Gregory, 53, Expires Early Today

Howard Elmer Gregory sr., 53, of 128 Vought place, Mitchell, a custodian at Mitchell grade school and the father of three sons in the U.S. Armed Forces, was pronounced dead upon arrival at St. Elizabeth Hospital at 4:20 a.m. today.

He had been ill with a heart ailment the past week. He was taken to hospital by ambulance from home.

Mr. Gregory was born in East St. Louis, but had resided his entire life in the Quad-Cities. He had been employed by the school district for nine years, the last three years at Mitchell school.

Surviving are his wife, Mrs. Alice Gregory; three sons, Howard E. Gregory Jr., U.S. Marine Corps, who is home on leave prior to duty in Vietnam; Jerry Gregory, stationed with the Air Force at Offutt AFB, Omaha, Neb., and Edward Gregory, serving with the Marines in Vietnam; one daughter, Miss Brenda Gregory, at home; his mother, Mrs. Bonnie Bond of Granite City; four sisters, Mrs. Clarence (Loretta) Achison, Mrs. Boyd (Pat) Wallis and Mrs. Henry (Margery) Borth, all of Granite City, and Mrs. William (Edna) Carter of

## Group to Study School Legislative Proposals

The Citizens' Study Group for Educational Efficiency took steps at a meeting Monday night to obtain current information on legislative proposals of the state superintendent and Illinois School Problems Commission, including a clarifying act on accumulation of funds to finance construction of projects authorized by voters.

Subcommittees were formed to study school design and "middle school" proposals; variations in the length of school days and terms; and increases in the effectiveness of school districts' relationship with non-board students and with parents.

Chairman William L. Harris presided, and a guest was Leo H. Kozen, a co-chairman of the citizens' study that preceded the December 1968 school bond and tax referendum. After subcommittee sessions during the next month, the study group is to meet again April 21.

Battle Creek, Mich.; and one grandchild. Funeral arrangements are pending the arrival home of Marine Edward Gregory. Available details are given in the obituary column.

Left to right around the table are Bill Duke, Robert Moglin, Bruce Thompson, Harold Link, Ray Schultz, Ron Dillard, Walter Brunick (seated next to Jack Hood) and Jack Hood. Missing from the photo is Harold Davis.

## Cougars Split Baseball Tilts in Sunny(?) South

The SIU-SW baseball team split a day-night twinned at Jacksonville, Fla., yesterday, losing 8-1 and then winning 5-0. Two earlier attempts to start the Cougar season this week were canceled because of rain in Florida.

Mike Scroggins, third baseman from Roxana, led the attack in the finale with a home run and single. Gary Collins of Illinois drove in two runs and East Aon tripled in the sixth. Bob Rickett, catcher, doubled in the second inning.

In the first game, the Cougars

faced strikeout artist Bill Mansfield, who fanned 16 to run his total to 29 in two games. Today, SIU-SW faced Kent State at noon in Jacksonville, and the local squad will meet the U.S. Naval Academy at 5 p.m. today at the Gator Bowl.

The Cougars will play against T-4 p.m. University tomorrow and Saturday; the New York Mets rookie club at St. Petersburg Sunday and Valdosta State Monday in Georgia.

If you'd like to take an extra skiff in tow without taking an extra can of gas on board, you've got to see our new 80-hp Mercury. No other outboard ever packed so much performance—such amazing fuel economy—into so small a package. Our new 80 hp is no larger than a competitive 55-hp and it uses no more fuel than a competitive 55—at equal boat speeds!

The secret? Revolutionary new Direct Charging—Mercury exclusive. With Direct Charging, the unique transfer passage, port and piston design pinpoints the path of the incoming charge for precisely controlled exhaust scavenging and cylinder charging under all operating conditions. Coupled with Mercury's Breakerless Thunderbolt ignition, it produces more complete removal of burned gases for more horsepower per cubic inch—more miles per gallon.

New 80-hp Mercury with Direct Charging—any other outboard in its class just isn't in its class! Come in and let us prove it.

## License Suspension for Beer Sale to Minor

A 10-day liquor license suspension was invoked Monday on the Good Neighbor tavern, 916 Niedringhaus avenue, on a charge of liquor sales to minors. The licensees are Jacob Varadjan and Harry Taucuson.

Police Chief Ronald Velez said the suspension was ordered Monday by Mayor Partney based on an incident occurring last November when a 16-year-old boy bought a case of beer at the tavern.

## Cars Collide Head-On

Extensive damage to the front ends of two autos resulted from a head-on collision on Market at State street in Venice at mid-night Tuesday. Venice police said Billy Joe Thompson, 321 Madison avenue, was driving west on Market street and Burton J. Jeffries, 22, was driving in the wrong lane, police said. He was charged with careless driving and was released after posting his driver's license as bond pending a magistrate hearing.

## Virgil K. Holman, 65, Dies of Heart Attack

Virgil Keen Holman, 65, of 2714 Harding avenue, a 40-year Quad-City resident, was pronounced dead upon arrival at St. Elizabeth Hospital at 11 p.m. Tuesday.

Under a doctor's care for five years for a heart condition, death was attributed to a heart attack. He was stricken at home and taken to the hospital by ambulance.

Mr. Holman was born in Nashville, Ill., and had been employed as a laborer for 20 years at General Steel Industries prior to his retirement in 1950.

He was a member of the Tri-City Park Assembly of God Church. Survivors include his wife, Opal; two brothers, Kelly Holman of Madison and Jesse Holman of Granite City; two sisters, Mrs. John (Edna) Tarasovich of Madison and Mrs. Esta Reidelberger, Decatur, Ill.

Funeral arrangements are given in today's obituary column.

## Faces Two Charges

Charges of intoxication and disorderly conduct were placed against George St. Clair, 53, of 2113 Edison street, who was arrested about 8:30 p.m. Tuesday at 21st street and Edison avenue.

## DeMolays Elect Fowler As Master Councilor

Randy Fowler, son of Mr. and Mrs. Woodward Fowler, 2209 Delmar avenue, was elected master councilor of James Stuart Chapter order of DeMolay at the chapter's regular meeting Tuesday night at the Masonic Temple. He is a junior at Granite City high school, is on the wrestling squad, and is taking vocational electric courses.

Other officers elected are Dwayne Pritchett, senior councilor; Stephen Hileman, junior councilor; Roger Miller, chaplain; and David Watkins, treasurer. Prior to the election of officers, the present senior officers conferred the Initiatory Degree upon 19 members of the 50th Anniversary Founder's Day Class.

During the meeting it was announced that the Eli Chapter, White Hall will be holding a 50th anniversary banquet on March 22, with Ross Randolph, newly appointed director of public safety in East St. Louis, as guest speaker.

The final plans were made to attend the Southern Illinois DeMolay Association meeting in Jacksonville on Sunday, March 23. DeMolays are to leave

RANDY FOWLER

Reese Bellemore at 9 a.m. for the church services, meeting and bowling alley. Also they are to attend the District 4 meeting at the Franklin Masonic Temple at Alton, Illinois, on Wednesday, March 26, leaving Reese Bellemore at 6:45 p.m.

The Ice Capades, originally scheduled for March 28, was rescheduled for March 27 because of no school for area students on Friday, and the ping pong, pool and chess tournaments will be held in the Masonic Temple on Sunday afternoon, March 30.

The appearance of District 4 DeMolays on the Charlotte Peters Show was briefly summarized by Dwayne Pritchett, the district's master councilor who was interviewed by Charlotte Peters. DeMolays from Granite City attending the show were Keith Damer, Randy Fowler, Steve Hileman, Chuck Hileman, Tim Noud, Steve Ebrecht, Paul Boyer, John Tolbert, Joseph Vaughn, Charlie Basden and Ron Bouillon.

They were accompanied by Granite's DeMolay sweetheart, Linda Fischer, and Advisor Charles Meyer.

Keith Damer, master councilor or assisted by the other senior line officers conferred the initiatory degree upon Gary Bogovich, Robert Carson, Barry Forey, Michael Jones, David Ledbetter, Richard A. Lesko, Gregory Lewis, P. Scott Mangum, Kenneth Mueller, Robert Mueller, Gregory Nighobossian, Jerry Poore, Rodney Preston, Dennis Reutebuch, Christopher Schreiber, Michael Stalcoff, Albert Stevens III, John Winfield, Glenn Williams of the 50th anniversary Founder's class.

The class has the distinction of being initiated 50 years to the day that DeMolay was founded by Frank S. Land and nine young men in Kansas City, Mo. on March 18, 1919, and 65 years since Jacques DeMolay, the last Grand Master of the Knights Templar, for whom the organization was named, was burned at the stake by King Phillip of France, March 18, 1314.

## Auto Fire, No Loss

Firemen were called at 7:55 p.m. Tuesday to Niedringhaus avenue and State street where a 1968 Buick Wildcat was reported. Firemen said there was a carburetor backfire in the 1965 auto of Larry Stucker of Popular Bluff, Mo., but there was no loss.

## Drainage Curb on Building Sought

### Levee District Seeks To Okay Specs on Homes, Subdivisions

The East Side Levee and Sanitary district will seek authority to approve or reject drainage specifications for new homes built in rural areas of the Madison county section of the levee district, it was decided in a recessed board session yesterday.

The plan, if it can be worked out with county authorities, would permit the levee district to check all building permit applications for residence property before approval by the county.

In that way the levee district could determine if the building location is in an area endangering by potential flooding. The levee district then would make recommendations to the county for approval or rejection of the building permit.

Corrective Measure A move to obtain authority that would permit levee district engineers to approve or reject drainage specifications of permits for building homes in rural areas of the Madison county section of the district was initiated by the East Side Levee and Sanitary district board yesterday as a major step toward correcting residential drainage problems, primarily in newly developed subdivisions.

The action was taken on a motion by William "Mike" Ebersoldt of Venice, Madison county member of the levee board, who pointed out that many of the drainage faults in inadequate drainage facilities in construction of new homes on ground that once was marshland.

Board President Morris Campbell and member Lawrence Jones, both of East St. Louis, agreed with Ebersoldt in the proposal that the levee board contact Madison county officials to determine the possibility of clearing building permits for homes in questionable drainage areas with the levee district. Board members Joseph Grant of Granite City and George Duff of East St. Louis were absent.

Cites Example Ebersoldt cited difficulties in the New Haven subdivision, where a number of homes have been damaged from seepage, as an example of "what can happen when a slough or a marsh is filled in and a lot of homes built on it." He said the practice not only eliminates natural drainage areas but results in heavier flows of surface drainage that overtax existing drainage ditches and canals.

"When these drainage problems arise, the levee board gets the blame for it," Ebersoldt said. "I think it is time that we determine just who is responsible for these problems."

## Meyer Elected Chaplain Of Egyptian Preceptory

Charles A. Meyer of Granite City was elected chaplain of the Egyptian Preceptory Legion of Honor at the annual obligatory observance Tuesday evening at the Stop Light restaurant, East St. Louis.

The event is held annually on the anniversary of the founding of the DeMolay organization. This year marks the 50th anniversary of the organization by Frank S. Land, which began on March 18, 1919 in Kansas City, Mo. and drew 100 members.

Howard Robertson of Highland, a former Granite City resident and a senior DeMolay of the local chapter, the current dean of the Egyptian Preceptory, presided over the meeting.

He is also the advisor of the Highland DeMolay Chapter. He introduced Gen. H. Sternberg, the Optimist International president and an active member of the Legion of Honor, as a special guest.

During the business meeting a telegram was sent to the International Supreme Council 11 which is in session in Kansas City, stating the local organization had held their meeting.

The active Legion of Honor is an honorary degree — the highest degree that can be bestowed upon a DeMolay for merited service in his chosen field of endeavor by the International Supreme Council Order of DeMolay.

## Investments Overcome Car Insurance Deficit

The State Farm Insurance year-end report to Agents Harry and Gerald Thebaud, Michael Toudas, Joseph Hassel and Edward Nichols is "a mixture of good and bad." It was announced this week. State Farm Mutual insured a million cars at the end of 1968 (10,999,391) than it did at the start of the year, but it lost \$29.5 million.

Infation coupled with a sharp increase in the number of traffic accidents were the causes of the heavy losses. Though investment income of \$56.7 million permitted the company to add \$38.4 million to the policyholder protection fund (surplus), the addition was not considered adequate to match the additional risk taken on during the year. The policyholder protection fund now totals \$476.8 million.

State Farm reported earned premiums and membership fees of \$1,240,284,582 (up from \$1,073,220,889 in 1967). However, it was hit with the first billion dollar claim bill in its history, paying \$1,013,825,830 to settle claims in 1968, a rise from \$847,478,371 in 1967.

## 'Operation Moon Shoot' Under Way at Church

The St. Paul Church of the Nazarene, 4000 Maryville road, is currently engaged in an "Operation Moon Shoot" Sunday school attendance program. The "Blast Off" was this week, and for the next three Sundays the school will be "streaking" toward an imaginary moon goal of 150 attendance between the Easter, Rev. G. M. Pace, pastor announced.

## LIST WITH COCHRANE 'ITS SOLD'

### Dear Jackie:

We promised to redecorate our basement playroom for our two teenage daughters so they may have parties there without disturbing the rest of the family. The problem is that both girls insist they want psychedelic carpeting for the room. I'm not even sure I know what psychedelic carpet is, much less if someone makes it. Can you help?

THEY GOT ME STUMPED

Granite City

Dear T.G.M.S.:

Tell your two flower children you've found the carpet for them. It's Ozite (perfect for basements) in a beautiful flower pattern and vivid (what will pass for psychedelic) colors.

Actually it's Ozite indoor-outdoor carpeting that can be used anywhere. But when the kids see it, they'll think it was made just for them. Come out to Atkins Floor Covering, and bring the girls with you to help choose the colors they want.

One word of caution—psychedelic carpeting leads to psychedelic music! I suggest earplugs for the members of the family that are unaccustomed to the sounds of the cream and Jefferson airplane.

Dear Jackie:

Our bedroom is entirely white. Walls, ceilings, drapes and bedspread. We want to get carpeting for the room, but I don't want white. I'm afraid that just the one color (the carpet) in the room will look out of place, and I'm not sure what color to get. Any suggestions?

UNDECIDED, Madison, Ill.

Dear Un-:

Choose a bright, alive color, any color you wish but make it bright. Take a sample of the carpet to a paint dealer and have him match it. Before the carpet is installed, paint the ceiling the same color as your carpeting. The total effect is beautiful and you feel it, more than see it. It's very hard to describe, you have to be to enjoy it fully.

If you have floor covering problems, write to "DEAR JACKIE," c/o ATKINS FLOOR COVERING, 3700 PONTIAC ROAD, GRANITE CITY, ILL. PHONE 831-4000.

## Wm. Buenger, 73, Retired Hardware Clerk, Expires

William John Buenger, 73, a lifelong resident, died of an apparent heart attack at 6 p.m. Monday at St. Elizabeth Hospital, where he had been taken 30 minutes earlier. He was stricken at the home of his nephew and niece, Mr. and Mrs. Dale Schanuel, Rural Route One, Box 1271, with whom he made his home, and taken to the hospital by ambulance.

Mr. Buenger was a member of St. John United Church of Christ and also belonged to the International Order of Odd Fellows, American Legion Post 113 and World War I Veterans Baracks 34.

Born in Chouteau township, he was employed at Kahle Hardware store for 44 years prior to his retirement.

Survivors are three brothers, Charles and Walter Buenger of Granite City and Louis Buenger of Troy; four sisters, Mrs. Amelia Willard, Mrs. Mary Schaper, Mrs. Emma Branding and Mrs. Clara Beckmann, all of Granite City.

He was preceded in death by a brother, George Buenger, and a sister, Mrs. Louise Bauer.

Funeral services were held today. Further information is given in today's obituary column.

### Water Main Breaks At Sewer Excavation

A break in a six-inch water main at a storm sewer excavation at 28th and Ralph streets about 7 p.m. Tuesday disrupted water services to 30 homes along Ralph street for five hours.

A spokesman for East St. Louis & Interurban Water Co. said the repairs to the asbestos concrete pipe were completed at 1:30 a.m. and service restored. It is not known what caused the break in the line.

"There is a possibility of vandalism," the company spokesman said. Police have been called to the site several times on complaints of youngsters playing in the excavation.

When the break occurred, water shot into the air, but there was no flooding, as the water from the broken main ran off through the newly-installed storm sewer line.

A backhoe belonging to the construction firm, S. M. Wilson & Co., began settling in the mud created by the break and threatened to fall into the excavation. However, workmen were able to pull it out.

## Rehearing to be Scheduled On Zoning Change Petition

Accepted by Granite City council members Monday night with withdrawal of a petition for rezoning two residential lots at 1421-18 Edwardsville road for commercial purposes to operate a wedding shop.

The petition had been denied last Thursday by the City Plan Commission as about 30 objectors appeared to speak out against the petition of Vasil Tarporoff. The denial was to have been reviewed by the commission on Monday morning, but a quorum was not present.

William Hoescher, chairman of the Plan Commission, said an error had been discovered in the petition and that Tarporoff owns two lots, one of which is adjacent to property already zoned commercial.

In its denial on Thursday, the commission ruled that with residences in the area, the change to commercial would constitute spot zoning.

**Delegation of Residents**  
A large delegation of Edwardsville road area residents was present for Monday night council meeting, and Alderman Fry called for council action on the Plan Commission's denial of the zone change.

With the request for withdrawal of the entire petition presented to the council by Atty. Maurice Dailey, who said he had been asked on Saturday to represent the petitioners, Fry asked the City Atty. Scroggins if the council was legally bound to take action.

Scroggins replied that withdrawal action was permissible, but that another hearing would be required if a corrected petition is submitted, and that objectors would be notified. Alderman Dallas said the rehearing

probably would be held April 10. A petition signed by 58 objectors was placed on file by the council, and the withdrawal of the zone change petition was approved by a vote of 12-0-4, with Aldermen Whitmer, Basch, Fry and Jarrett voting no.

**Confederates Denied**  
Council members concurred in the Plan Commission's denial of a rezoning petition for Floyd Hammel for a confectionery at 2432 Bryan avenue, now zoned R-3 residential. He was seeking a C-1 commercial designation. Placed on file by the council was a petition with about 60 signatures, submitted by objectors.

Action was deferred by Aldermen Green and Robertson on the Plan Commission's denial of a zoning change requested by Naomi Gray to establish a neighborhood beauty shop at 2601 Center street. A C-1 commercial designation is sought for the property now zoned R-3 residential.

**Referral Action**  
Deferred at the request of Aldermen Bartolozzi and Poulos was the Plan Commission's recommendation for a special use permit for Norman Holinger to operate a real estate office at 2681 Madison avenue.

The petition for rezoning from R-3 to C-1 had been denied by the Plan Commission.

Approved was a zone change from C-1 to C-2, requested by Andrew Rapoff for property at 2324 N. Main street. An ordinance is to be prepared.

Fry also called for an amendment to the city zoning code to require notices of zone change hearings to be mailed to property owners at least 200 feet from the site under consideration. The amendment has been sanctioned by the Plan Commission.

The council was advised the Board of Appeals approved a request by Wesley Lehmkuhl, 227 Benton street, to build a 20x20-foot garage two feet from the property line instead of the required five feet.

## Need Defense Attorneys For Crime Case Backlog

Additional defense attorneys and funds are needed to prosecute a backlog of criminal cases which has reached emergency proportions in Madison county, the county board of supervisors was told by Marshall Smith, assistant state's attorney, at its meeting Wednesday afternoon.

Smith asked the board to authorize Chief Circuit Judge Harold R. Clark to exceed the \$20,000 budget for the public defender's office at his discretion to hire more lawyers.

Upon questioning, Smith said extra expenses would be \$100 to \$1500 per month for attorneys, after considerable discussion, the board voted to increase the appropriation by \$1000 per month for four months.

John Kravynak, county auditor, said prior to a roll call vote that the action would be illegal, that state statutes provide that the county board cannot exceed the legal limit.

**400 Indictments Seen**  
Smith, who said earlier in the meeting that 400 to 500 felony indictments will be returned by grand juries this year, commented the county jail is overcrowded and that defendants are being turned loose.

He said the circuit judges have ordered magistrates to remand to the county jail defendants for non-payments of fines, that they will not be accepted.

"The problem of getting them to trial is getting someone to defend them," Smith said. "The defendants 'are working in every possible way to get continuances. First they ask for a public defender, and then as soon as the case is ready for trial, they hire an attorney."

"As the attorney will not file briefs without receiving a fee, another attorney is obtained, and the cases lag," he added.

**75% of Cases**  
He said the public defender's office is assigned 75% of the cases, and "we need help in defending the cases."

Smith specifically suggested employment of one more public defender with an increase in salary for the defenders from \$400 to \$600 per month.

He explained that the court can assign cases to attorneys without fee, but that would not be a permanent solution.

The right of a convict to appeal also has an effect on both the prosecutor and public defender offices, Smith said.

"I hope are 30 cases to trial this year, he said, noting that circuit judges have offered to delay civil suits to give more time to the criminal end. Last year he said 11 criminal suits went to trial.

So far this year, Smith reported, the state has won all but one of the criminal trials, and that if the total prosecuted reaches 75 this year, it will be more than any other county in the state. He also commented that judges are issuing stiffer sentences, are not as prone to grant probation and that juries are more willing to return convictions.

**Jail Inadequate**  
Earlier calling the county jail "totally inadequate," Smith said "we can make the jail adequate by getting these defendants convicted."

One board member noted that the judicial reform amendment won by the state eliminated police magistrates and justices of the peace, and the state should help finance the extra costs. Smith said the state is providing some funds.

He also was asked if the judges are determining if all of the defendants are indigents before assigning them to public defenders, as many should be able to pay their own defense attorneys.

Smith commented, "We must follow Supreme court rulings. We cannot push these people around."

There were complaints that too many defendants commit crimes after they are released from jail and awaiting trial, and one supervisor noted that the longer their cases are pending, the longer their dependents remain on township relief rolls.

Your Bi-State bus service is back on the job ending the hardship and inconvenience caused by the transit strike to hundreds of thousands of bus riders.

All of us at Bi-State—operators, mechanics, office people—are happy that we're back at work to serve you with vital bus service.

The police department officers in our metropolitan area deserve special commendation for their extra time and effort in preventing complete traffic chaos that might have resulted. And a special note of thanks to the stores and business establishments who gave us full cooperation during the strike.

And now that Bi-State buses are rolling again we are at your service and we thank you for your understanding during this trying situation.

**SAVE YOUR PASSES  
COVERING THE STRIKE  
PERIOD... THEY'RE  
VALUABLE!**

If you have purchased weekly bus passes during the strike period, you will be allowed credit on them toward the purchase of your next pass.

### PTA CAKEWALK TONIGHT

Mrs. Dorothy Anderson, president of the Wilson PTA has announced that the unit is sponsoring a cawekwalk and bake sale, with proceeds to go toward financing the annual school picnic. It will be held tonight at the school preceding a short PTA business meeting and a Brownie and Girl Scout program in commemoration of the national scouting birthday. The program will begin at 7 o'clock instead of the regular time because of the various activities.

### HOME FROM SOUTHWEST

Mr. and Mrs. Robert H. Batey, 2224 Terminal avenue, and children, Sandra and Bob, returned Monday from a 12-day vacation tour of several western states. They were guests of Mrs. Batey's parents, Mr. and Mrs. Pat Dyer of Carlsbad, N. Mex.

They also visited in the home of Mrs. Batey's brother and sister-in-law, Mr. and Mrs. Jeff Dyer, and other relatives. They were taken on a sightseeing tour of Carlsbad Caverns and other points of interest.

### EASTER SCOUT PROJECT

Junior Girl Scout Troop 267 of Wilson school held a weekly meeting in the home of a scout, Sarah Perkins, 2407 Chestnut court, Monday afternoon. The

leader, Mrs. Betty Kating, was assisted by Mrs. Geraldine Rogers.

The Wings patrol held an opening ceremony, with Judy Leiden reading an Irish poem. Mrs. Kating announced that the troop had sold 1306 boxes of cookies during a recent sale. The cookies will be delivered next week.

Each girl is to bring a bag of candy or cookies to the next meeting at the home of Denise Baker, 2428 St. Clair avenue, to fill decorated "bunny boxes" for patients at Alton State Hospital. The troop is to participate in a closing ceremony for its sponsor, the Wilson Parent-Teacher Association, tonight.

Day camp folders were distributed and the scouts made tentative plans to go on a hike next week, weather permitting.

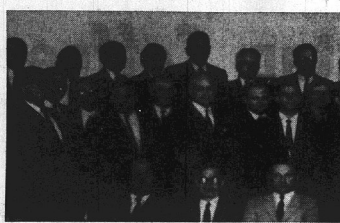

Scouts attending were Della Antoff, Laura Austin, Patti Barr, Mary Besserman, Tina Besserman, April Bone, Lynn Coker, Susan Eddleman, Vivian Frazier, Cindy Hanson, Donna Hinson, Donna and Joyce Kating, Cheryl Kelly, Debbie Kiefer, Karen Kunkel, Marci Logan, Lorraine Miles, Carolyn Peebles, Cindy Rogers, Debbie Stroud, Vicki Stuart, Lisa and Carrie Gilbert, Laura Vickers and Debbie Wells.

### EASTER PARTY FOR TROOP

Niedringhaus Browne Troop 47, led by Mrs. Jo Ann Dix, assisted by Mrs. Jeannette Holder, met at the school Tuesday afternoon. Plans were made for an Easter party in April and other projects for the month.

Terri Dettering and Elizabeth Eck called the meeting to order with a flag ceremony. Mrs. Dix worked with the officers on their sheets and a committee was appointed to arrange an Easter party.

The members decided to learn how to make Easter baskets monthly project. The remainder

## Local A. O. Smith Plant Wins Top Safety Award

The employees of the local A. O. Smith Corp. plant received yesterday the President's Award for excellence in accident prevention.

The Granite City plant won the award in competition with 19 other divisions.

U. T. Kuehne, president, A. O. Smith Corp., presented the award to representatives of the Granite City plant. Kuehne pointed out that outstanding safety results at Granite City have been achieved through co-operation, hard work and the diligent effort of every employee. "The safety and well-being of our employees is of prime importance in every operation throughout the corporation, and will continue to be one of our major objectives in the year ahead," he stated.

Vince Pollina, corporation director of safety, related that 1968 was the most successful safety year in the history of A. O. Smith, and was the fourth consecutive year that the corporation safety program has shown improvement.

The employee safety performance at Granite City has been so outstanding that the union received national recognition from the International Brotherhood of Teamsters, Inc. in their January 1969 national publication. "Boilermakers' Local 876, representing over 90% of the employees at the Granite City plant. The employees also received national recognition from the National Safety Council during 1968.

### Driving Charges Filed

Two motorists were issued arrest tickets at 27th street and Madison avenue at 8:45 p.m. Tuesday on charges of careless driving. Ticketed were Donald Martin, 2973 Iowa street, and Kenneth Talley, 2018 Clark avenue.

## State Order Banners Stock Sales of GC Based Corp.

Secretary of State Paul Powell has issued an order prohibiting further sales of securities by a Granite City based firm and its incorporators, including Jerry Maeras of Madison.

The order charged that sales of securities by the Diamond Management Corp. of Granite City and its incorporators, including Robert W. Ferris and T. Wayne Beckham of Belleville, were fraudulent and in violation of the Illinois Securities Act of 1953.

It said the securities were not registered with the state, that prospectus of the stock was not delivered to purchasers, that the sales tended to work a fraud on college students, to provide college scholarships.

The order stated that none of the incorporators were represented at a public hearing held before Securities Commissioner Thomas J. Hawtack Dec. 19 at Springfield.

### Attended Hearing

Young Maeras, a salesman for an Alton insurance firm, could not be reached for comment, but Mayor Maeras said his son and attorney, Gilchoff, had attended the hearing but had no chance to testify.

He said sales of the stock were suspended by the firm earlier when it was determined the firm came under the jurisdiction of the federal Securities and Exchange Act, and to determine the corporation's responsibilities under the federal law.

Only \$10,000 of the stock has been sold, the mayor added, and if there were any illegal actions, the money will be returned.

He said the action by the securities division resulted from efforts of other interests, including a stockholder from Springfield, "to freeze them (the incorporators) out" of the business.

### Agent Named to Study Airport Feasibility

Gov. Richard B. Ogilvie today appointed John E. Robson, former undersecretary of U. S. Department of Transportation, to direct a study of the feasibility of locating a major new airport in the bi-county area.

Robson, 38, is a partner in a Chicago law firm. His abilities with the federal government included supervision of the Federal Aviation Administration.

The governor commented: "Locating the airport on the Illinois side of the river could provide tremendous impetus to the rebuilding of the economy of the entire area."

### Smoke Scare Last Night At 541 Office in GC

A Granite City fireman answered a smoke alarm about 8 p.m. Wednesday at First Granite City Savings & Loan, 1825 Delmar avenue, but the source of smoke in a back room was not determined.

Firemen also answered six other alarms yesterday afternoon and evening, including a blaze at the home of Shirley Goff, 274 Spaulding avenue, where there was \$175 loss. The other blazes were weed and trash fires.

## 2 Children Among Six Injured in Traffic Mishaps

Two children were among six persons injured in 15 traffic accidents reported since Monday to Quad-City authorities. Both youngsters were injured in separate accidents when they were struck by cars.

William A. Briggs, 12, son of Mrs. and Mrs. Elmer Briggs, 2233 Grand avenue, was given treatment at St. Elizabeth Hospital about 7 p.m. Monday for a left knee injury sustained when he was hit by a pickup truck at Lee avenue and 20th street. The boy was x-rayed, treated and released.

Police said the driver of the blue and white truck which struck the boy fled the scene immediately after the accident.

Officers reported young Briggs was pushing his bicycle across 20th street when he was hit. The truck was traveling west on 20th street.

### 4 Is Injured In Suit Against Union

A four-year-old boy was treated at St. Elizabeth Hospital for a swollen and bruised jaw and neck x-rays at 5 p.m. Tuesday after he apparently was knocked down by an auto near his home.

David Kuehn, son of Mr. and Mrs. Donald Kuehn, 2424 Benton street, apparently suffered little ill effect from his experience and was released from the hospital. The mishap occurred about 1:30 p.m. Tuesday when the child's father heard car brakes squeal and rushed outside the house to find the boy crawling to the curb from the street.

The motorist stopped but was unable to say if he had hit the small boy. Cars were parked along both sides of the street and the child may have run into the side of the vehicle from between the parked autos, the family said. Thought to be unhurt except for a reddened area on the jaw, the boy later was taken to the hospital emergency room where the lower jaw began to swell. The driver of the car was not identified.

### Two Girls Injured

Two girls were injured about 3:40 p.m. Monday when the car in which they were riding collided with another at Nameoki road and North street.

Treated at St. Elizabeth Hospital were Theresa Colbert, 17, daughter of Mr. and Mrs. William Colbert, 645 Chouteau, Mitchell, driver of one of the cars, and a passenger, Ruby Butler, 15, daughter of Mr. and Mrs. Donald Butler, 615 Barkley street, Mitchell. Both were released after treatment of contusions and x-rays.

Police reported the accident occurred as cars driven by Miss Colbert and Andrew Gasparovic Jr., 2150 Edison avenue, both headed west on Nameoki road, collided as the Colbert car slowed to make a left turn into North street.

Auto Passenger Hurt  
A head-on collision at the Alton & Southern Railroad tracks on East Chain of Rocks road near Route 208, Mitchell, at 10 p.m. Tuesday, resulted in injuries to a passenger in one vehicle.

Admitted at St. Elizabeth

## Scouts on Hike Help To Contain Weed Fire

While hiking down the county road alongside Horseshoe Lake last evening, three members of Boy Scout Troop Nine from the Knapokick Homes helped to contain a large brush fire until the arrival of the Long Lake volunteer fire department. It was learned today.

Assistant Scoutmaster Fay Liddell told the Press-Record that Boy Scouts Wayne Healy, Eugene Kennel and Eugene Lamm were walking ahead of six other troop members when the fire was observed some distance away.

"The boys were throwing dirt on the blaze and stamping it out when we reached the scene, about the same time as the fire truck arrived," the scout official said.

The brush and weed fire was located between the county road and Illinois Terminal railroad tracks. Several farm buildings were directly across the road from the area of the blaze, Liddell said.

### Nonn Seeks \$25,000 In Suit Against Union

A libel suit seeking \$25,000 in four counts was filed today by Alderman Walter Nonn in Madison county circuit court at Edwardsville.

Named as defendants are Lester Lasbury, the Oil, Chemical & Atomic Workers International Union Local 7778, R. D. Abel and Thomas Austin. The union represents most employees at the American Oil Co. refinery at Wood River. The complaint alleges Nonn was libeled in a letter written by Lasbury on May 27, 1968.

### Y's Men To See Film

A film produced by Union Electric Co., will be shown at a Y's Men's club at 7:30 a.m. Saturday at the local YMCA.

Hospital with contusions to both arms and back pains was Mrs. Louise Grenzbach, 48, of Hartford, a passenger in an auto operated by Mrs. Mildred Morrison, 46, of Edwardsville, which was halted at the crossing of a flashing signal. The Morrison car was struck from the rear by an auto driven by Terry L. Goucher, 25, of 641 Ashland avenue, a state police report said.

Melvin Hanks, 21, of 2718 National avenue, suffered injury to his left hip about 3:45 p.m. Tuesday when he ran into the alley at the rear of 2009 Madison avenue and was struck by an auto driven by Dorthula Taylor, 2031 Beckwith street.

Police said Hanks was leaving a building to go across the alley to get assistance for unloading a truck. He was taken to St. Elizabeth Hospital for x-rays and treatment.

Sharon Miller, 15, daughter of Lavette Collins, East St. Louis, was treated at St. Elizabeth Hospital at 12:30 a.m. Tuesday for head injuries sustained in a traffic accident in East St. Louis. She also was given spine and skull x-rays. She was transferred to St. Mary's Hospital in East St. Louis where she was admitted.

## Mrs. Foote Is Elected by PTA

The Nameoki PTA elected officers at its March meeting opened by President Kate Bailey Tuesday evening. The prayer was offered by Principal Donald Kopp, and colors were presented by Junior Girl Scout Troop 1087. Reports were given on the heart fund drive and basketball bazaar.

Those elected for 1969-70 were Mrs. Beverly Foote, president; Mrs. Angie Kotela, vice-president; Mrs. Marian Spole, recording secretary; Mrs. Marilyn Galbraith, corresponding secretary; and Joel Tesor, treasurer.

Installation of officers is to be held at the May meeting.

Delegates to the state PTA convention in Chicago were selected. They are Mrs. Foote, Mrs. Vera Farrow and Mrs. Bailey.

An evaluation of the past year was given by Mrs. Bailey. Included were purchase of a duplicating machine for the school records for the music department, a field trip for each class with the exception of kindergarten, gift of \$70 to the kindergarten for purchase of crayons and other supplies and trips for the safety patrol.

Mrs. Wanda Grothius, program chairman, introduced Mrs. Jean Parks, Girl Scout representative and organizer for Nameoki school. The program was presented by all the troops.

Brownie Troop 307 sang and performed. The Brownie Troop 159 drill team presented a marching drill.

Display tables were set up by Brownie Troop 270 and Junior Girl Scout Troop 143, and a flag ceremony was presented by Junior Girl Scout Troop 1087.

Mrs. Parks introduced the leaders and their helpers: Mesdames Jan Colquitt, Ann Slate, Leona Johnstone, Dorothy Parker, Jane Lewis, Sharon Johnstone, Karen Machino, Betty Kessler, Mary Swartzell, Ruth Hager and Lucetta Wright.

Mrs. Parks presented Mrs. Bailey with a certificate in recognition of the PTA unit sponsoring the trip.

Mrs. Grothius introduced candidates seeking re-election to the school board, Arthur J. Metcalf and Monroe Worthen who spoke briefly. Colors were retired by the scouts.

Mrs. Farrow's upper primary room won attendance honors and refreshments were served by second grade room mothers.

## WASHINGTON SCHOOL SCOUT INVESTITURE

Washington school Junior Girl Scout Troop 734 held a court of awards ceremony at an investiture at a weekly meeting Monday under the leadership of Mrs. Margaret Barton and Mrs. Venka Ambuehl.

The Blue Jay patrol conducted an opening ceremony and the troop welcomed newly-invested members, Paula Elmore, Patti Taylor, and Karen and Sharon Kently, who received their scout pins. All members were presented with the active citizen badge.

The scouts worked on emergency phone cards in keeping with a requirement of the health aid badge.

Others in attendance were Kathy Ambuehl, Sherrell Barton, Mary Casey, Pamela Collins, Darlene Connor, Bonita Davis, Sheila Die, Venus Berr, Janet Gafford, Kimberley Gelo, Sonia McIntyre, Rhonda Meyers, Barbara and Diane Pickett, Vikki Sexton, Mary Townsend, Christine Webb, Laura Wilson and Carol Whitford.

## NEW MEMBER JOINS BROWNIE TROOP 528

Niedringhaus PTA Brownie Troop 528 met at the school Tuesday afternoon and welcomed a new member, Danita Parker. The leader, Mrs. Rosalie Portell, was assisted by Mrs. Jean Holder due to the illness of Mrs. Beth Caffrey.

Danita Parker led the flag pledge and scout promise and an investiture ceremony was conducted for her. A special guest was her sister, Janet Parker, a Junior Scout of Troop 723.

Several of the members brought Easter treats which will be used to fill "bunny boxes" at the next meeting. A singalong was held and the remainder of the afternoon was spent playing games.

Decorated cookies and a beverage were served to Tracy Bauer, Debbie Bigham, Jo Ann Curtis, Mary Earney, Kim Filcoff, Gena Fox, Karen Holder, Gretchen Holscher, Twyla Lathrop, Bonnie Lubbert, Georgia Matosian, Judy Moore, Martha Portell and Debbie Ward.

## Pupils Testing Frohardt Topic

Principal Lee Reid, president, opened a monthly meeting of the Frohardt school PTA Tuesday evening and later presented a demonstration of the testing program used by the school system at various grade levels.

Reports were given by Mrs. Sharon Purkey and Mrs. Mary Fehrmann.

A request was made from the Association for Gifted Children for books during a current drive.

Picnic Chairman Pete Stieb said many parents have submitted ideas and suggestion for the annual event.

The nominating committee, John Bloodworth, Mrs. Beverly Krause and Mrs. Earline Hayes, proposed Mrs. Fehrmann to serve as president, Don Hayes vice-president, Mrs. Sara Metcalf secretary and Stieb, treasurer.

A discussion was held on a family skating party at the Stardust center May 5 from 6:30 to 8:30 p.m.

Mrs. Dorothy Brokaw presented a certificate of appreciation for PTA sponsorship of scout activities.

Recognition was given to students for their participation in a play, "Accidental Hero." Taking part were Jimmy Van Cleave, Mark Brusatti, Charles Bennington, Bruce Knebeloch, Anthony Elitmoft, Cindy Crews, Cheryl Bagl, Linda Morgan, Shelly Boyd, Janet Moss, Lorna Reinhardt, William Mullins, Donald Dotzau, Emily Berger, Bobby Crain, Annette Tarpy, Eric Krause, Mary Jubasz, Brenda Long, Patty Brokaw, Doug Purkey, Brian Gaines, Eddie Szecepanik, Peggy Eubanks, Florence Holten, Sherri Tadioc, Terri Kmucha, Linda Hordesky, Janice Hamill, Bobby Crain, Vicki Kirchoff, Lisa Bolten, Eric Krause, Tammy Duff, Shelley Ell, Brian Gaines, Donald Stone and Debbie Cavins.

Miss Rebecca Walden's fifth grade room and Miss Jane Elkins' second grade room tied for top attendance.

Refreshments were served by second grade room mothers. At the April meeting, Attorney Phillip Thies will speak the "Importance of Making a Will." At the May meeting, a film will be shown on the Shriners Hospital and Burn Center, and officers will be installed.

## B&PW Hears Mexican Consul

Miss Ana Maria Barning, Mexican consul in St. Louis, was the featured speaker last evening at a "World Affairs" dinner meeting of the Granite City Business and Professional Women's Club at the Rose Bowl restaurant.

Entertainment was provided by local youngsters, attired in Mexican fiesta costumes, under the direction of Steve Ortiz, president of the Mexican Honorary Commission.

Several dances were performed by the children and a birthday song was sung in Spanish by Mrs. Charlotte Boyd of St. Louis to honor Mrs. Mary Batson, B&PW president. Other guests were Mrs. Marcela Griffiths of the Alton B&PW and Judy Chastain of Granite City, a B&PW sponsored career girl.

History of the B&PW organization was read by Evelyn Ford, with candles lighted to mark each phase of its growth. Dinner included a variety of Mexican foods.

Mrs. Batson was named "B&PW Woman of the Month." Plans were made to hold the next business meeting April 2, at the Elks club. Those in charge of last night's program were Sylvia Wright, chairman, and Florence Spahr, Maxine Griesman, Dorothy Nenniger, Verna Lengyel, Hulda Davis and Betty Bero.

## Nurses Alumnae Group Meets

St. Elizabeth Hospital Nurses Alumnae Association held a monthly meeting at the hospital last night.

Sister Marce, hospital administrator, was the featured speaker with prayer and gave her report, as did Mrs. Margie Hilker, secretary; Mrs. Georgia Harlow, treasurer; and Mrs. Blanche Blake, who is in charge of publicity. Mrs. Hilker, Mrs. Maxine Carson and Sister Marce were hostesses and refreshments were served.

Others present were Mrs. Jeanne Lucido, Mrs. Clara Krause, Miss Marguerite Fecth, Mrs. Berniece Gushlett, Miss May Skullis, Mrs. Roberts Gerke, Mrs. Edna Wallace, Miss Mildred King, Mrs. Pat Tapp, Mrs. Josephine Czervinski, Sister Mary Michael, Mrs. Marieta Daniels, Mrs. Lois Haynes, Mrs. Catherine Delayoe and Mrs. Eunice Oros.

The next meeting is to be held at the Venice Recreation Center and each member is to have a guest.

#### BIRTHDAY DINNER

Mr. and Mrs. Robert A. Littlejohn, 18 Lakeview drive, entertained with a dinner Sunday in honor of the birthday of his father, Ralph Littlejohn, and the birth of the honoree's first granddaughter, who was born to Mr. and Mrs. Frank Barker. An inscribed birthday cake was the table centerpiece. Many gifts were received. Attending were his wife, Ruth, and Mr. and Mrs. Arthur Grissman and children, Carla and Art, Mr. and Mrs. Barker and daughter, Laura Suzette, and Eddie Bobby, Vicki and Ricky Littlejohn.

#### CUB PINEWOOD DERBY AT STALLINGS SCHOOL

Cub Pack 98 met Monday evening at Stallings school, with Cubmaster Charles Taylor leading a flag ceremony, followed by a pinewood derby. Winners in racing miniature autos were Martin Wills, first, Eddie Cook, second, Eugene Gargac, third, and Richard Taylor, fourth. Judges were Bob Kennedy, John Hensley, Ed LaRue and Jim Holland. A wolf badge was presented to Russell Grasso, bear badge to Tim Grant, bear badge with gold arrow to Henry Martin and Webelos colors to Tim Grant.

Webelos Gary Meyer received scientist, athlete and artist awards. Pat Potter, artist, and Bob Theriac, artist, Gary Meyer accepted an assistant dinner bar. Refreshments were served to the cubs, parents and friends. Next meeting will be held April 21.

#### JOLLY SIX MEETING

The Jolly Six club met with Miss Lona Lassen Tuesday evening. Games were played, prizes going to the hostess and Mesdames Jettie Lassen, Pat Dorch and Lucille Sobczak.

Refreshments were served. Others present were Mrs. Marie Stenwar and Mrs. Geniva Schach. Mrs. Sobczak will be the hostess in three weeks.

#### PREPARE FOR EASTER

Brownie Troop 254 met Monday with Mrs. Margaret Potter, leader, and Mrs. Dorothy Cappel, co-leader, at Stallings school. It was noted that Mrs. Potter, Joanne Cox, Tammy Woodward, Peggy Potter and Judy Lassen attended a weekend tree planting ceremony at Wilson Park.

"Bunny boxes" were made and filled with Easter candy to be taken on Palm Sunday to Alton State Hospital for distribution to patients. Permission slips were given out for attendance at the Stallings PTA meeting.

The troop and Junior Girl Scout Troop 222 will jointly open the PTA meeting with a flag ceremony and scout arts and crafts will be displayed during the evening.

Registration cards and day camp folders were given to the girls. A meeting of mothers of first grade girls was set for 7 to 8 p.m. next Monday, March 24, at Stallings school.

Attending were Peggy Potter, Ruth Ann Hayes, Robin Copeland, Rhonda Cline, Tammy Woodward, Paula Cook, Kathy Wilson, Karen Lewis, Lorraine Luchmann and Karol Gargac.

#### CONDUCT FIRE DRILL

Long Lake volunteer firemen held a fire drill Sunday afternoon. Participating were Jacob Gottelmann, Earl Young, Arnold Rutherford, John Karischuk,

#### TROOP TOURS FIRE HOUSE

Brownie Troop 307 of Nameoki school met Monday. After roll call by Mrs. Dorothy Parker, co-leader, the girls were taken to the main fire house on Madison avenue.

While the scouts were touring the building, three calls were received and the girls were instructed to line the side walls for safety in the event the trucks would have to depart.

Explanations were given on fire trucks, a hose washing machine and the inhalator truck. A demonstration was presented on how firemen slide down a pole from the second floor when informed of a fire.

Assisting the leaders with transportation were Mrs. Albert Beedle and Miss Sharon Johnson.

Those present were Mrs. Jane Lewis, co-leader, and Lynette Beedle, Yvonne Zotti, Theresa Skinner, Jane Krain, Theresa Parker, Diana Bunch, Darlene Johnesee, Cindi Palmer, Cynthia Skinner, Susan Lewis, Jackie Billel, Cynthia Freeman, Karen Osborn, Debbie Schneck, Stephanie Walsen, Sherri Crick, Jane Dillard, Rhonda Hughes, Connie Acosta, Pamela Monroe, La Vonda Burcham, Nannette Robelf and Jackie Freyes.

#### DECORATE BUNNY BOXES

Brownie Troop 586, sponsored by the Parkview PTA, assembled in the school cafeteria Monday afternoon with the leaders, Mrs. Dorothy Luckert and Mrs. Ruth Ann Williams, to decorate "bunny boxes," which will be filled with cookies and candy and taken to Alton State Hospital for the patients at Easter. The boxes were decorated in pastel shades of spring colors.

The leaders discussed day camp, which will be held at Camp Lakota this summer. Booklets were distributed for the girls to take to their parents.

Chocolate Easter eggs were served. Present were Christine Luckert, Laura Allen, Jennifer and Susan Boese, Michele Dickerson, Cheryl Voorhees, Kathy Kitchen, Jamie Stone, Jodie Ward, Cynthia Williams and Becky Van Kirk.

## Dinner Honoring Venice Cagers Set March 27

Reservations will be accepted through Monday for the annual banquet to honor basketball players and coaches on the Venice high and grade school teams. The dinner will take place at 7 p.m. Thursday, March 27, at Augustine's restaurant, Belleville.

The banquet will be open to the public, and tickets costing

\$2.75 per person may be obtained at the office of Venice Supt. of Schools John O. Pier. Venice coaches, William Ohlen-dorf and Robert McKinney, are in charge of arrangements. Joseph Lucco, Edwardsville high school principal and former Tiger basketball coach, who guided his squad to the Illinois state basketball finals several years ago, will be the featured speaker.

## Good Grooming Tips Planned at Coolidge

Mrs. Pat Gowan and Miss Darlene Wenner of the Guidance Department at Coolidge junior high school are planning an assembly "for girls only" to be held tomorrow.

The program will include tips on good grooming, fashions, and the dress code. Under the direction of Miss Dorothy Hinson, girls who are representatives in the Coolidge Student Council will be models showing the "do's and don'ts" of good grooming.

Mrs. Shirley Stoll, speech and dramatics teacher, will serve as consultant and narrator. The assembly will be attended by all Coolidge girls.

## DeMolays at Service, Observe Anniversary

Eighty members of the Granite City chapter, Order of DeMolay, and their parents attended the First Assembly of God Church Sunday as the first event in their 50th anniversary Founder's Week observance.

Randy Fowler, senior counselor, led the DeMolays at the 10:45 a.m. service. They were welcomed by Rev. M. A. Groff, pastor. He remarked that all have constant decisions to make and should make proper basic decisions for right and morality in matters of conduct.

**GOD AND COUNTRY AWARD** medal being presented to Explorer Scout Donald Menke by Rev. Dr. Robert Baumann (left), as the youth's former scoutmaster, Robert Burns, watches.

## God and Country Award Presented

Donald Menke, 14, an Explorer Scout with Explorer Post 6 of Concordia Lutheran Church, was presented the coveted God and Country Award medal Sunday morning during service at his church, St. Peter United Church of Christ.

Menke, an Eagle Scout and brotherhood member of the Scouts Order of the Arrow, received the award from his pastor, Rev. Robert Baumann, and his former scoutmaster, Robert Burns of Boy Scout Troop 8 of the First United Presbyterian Church. He is a son of Mr. and Mrs. Edw. Menke, 2149 Cleveland blvd.

In making the medal presentation, Rev. Baumann stated: "This award represents approximately two years of service and study."

The religious awards of the Boy Scouts of America are designed to help a boy better understand his church and the history of his denomination. Extensive work is required in five areas—faith, witness, world outreach, citizenship and fellowship.

Each requires about four months of study and service. The minister instructs and counsels the candidate as he fulfills the requirements.

In addition to his activities in scouting, the Menke youth is editor of his school newspaper at Prather junior high school and is president of the Harlequin. He also is a magician and is sergeant-at-arms of Ring One, International Brotherhood of Magicians, St. Louis.

**Miss Flack Takes Part in MU Coronation**

Miss Carol Lynn Flack of 2631 East 23rd street returned this week after attending the St. Patrick's Day festivities at University of Missouri-Rolla. Miss Flack was one of 28 girls nominated for queen of the weekend celebrations, from a five-state area. Miss Flack participated in the coronation ceremonies on Friday and the parade and ball on Saturday evening.

While there, she was introduced to Gov. Warren E. Hearnes and presented with a special charm as a memento of the event.

She is employed in the Production Control Division, DIRMA at the Granite City Army Depot.

**'Rising Sons' to Play Saturday at Teen Town**

"The Rising Sons" will be featured at the YMCA Teen Town Saturday night from 8:30 to 11:30 p.m.

"The Guild" will be featured the following Friday, March 28. Advance tickets are available at the "Y" until Thursday at \$1.50 each. The door admission will be \$2. The dance will be held in the gym from 8:30 to 11:30 p.m.

## 4 Eligible for State Buenger Youth Sets YMCA District Marks

Competing in the new, increased distance events for nine-and-ten-year-old boys, Mark Buenger, son of Mr. and Mrs. Earl Buenger, 2128 Lindell blvd., set three YMCA District swim records Saturday, placing first in each event at Eastern Illinois University at Charleston.

Several other local youths also received trophies and qualified with Buenger to compete April 12 in the YMCA State Finals at Eastern U.

The Frohhardt school pupil set new marks last Saturday in the District Four Boys Championships, capturing first place wins in the 200-yard medley relay; 100-yard individual medley; and 50-yard breaststroke. All victories were achieved in the midgest (8-10) age group division.

Two years ago, the young swimmer broke the YMCA state record for eight-year-olds and under in the 25-yard breaststroke event, taking first place honors in the Illinois YMCA championships.

Two first place awards in last week's events went to Eric Cunningham, son of Mr. and Mrs. Fred Cunningham, 13 Frontenac drive, who was top swimmer in the 13-14 junior division, winning first in the 200-yard freestyle and 200-yard medley relay; and second place in the 100-yard butterfly event.

A younger brother, Todd Cunningham, competing in the 9-10 age group, placed second in the 200-yard freestyle relay and third in the 50-yard backstroke race.

Swimming in the "prep" division for 11-12-year-olds, Paddy Jim Baggot, son of Dr. and Mrs. Gerard M. Baggot, 2550

Edison avenue, tallied first place in the 200-yard medley relay; second place in 100-yard individual medley; and fifth in 50-yard backstroke. Another Baggot son, Michael, placed 12th in the 50-yard butterfly event.

All five boys competed under the auspices of the East St. Louis YMCA, whose team captured first place in overall competition by accumulating the highest point total over 11 other YMCA swimming squads.

The team also placed first in points in the cadet, midgest, prep and intermediate divisions.

Swimmers representing the Tri-Cities YMCA, several of whom qualified for the district finals but were not able to meet qualifying times for the April 12 state championships, included Gordon Quinn, son of Mr. and Mrs. Harold Quinn, 1540 Joy avenue; Michael Swain, 4236 Erin drive; and Neil Puhse and Mark Braue, both of Edwardsville.

## Arts and Education Council Fund Campaign Under Way

Illinois area chairman of the Arts and Education Fund of Greater St. Louis met at Southern Illinois University-Southwestern campus last week to discuss the 1968 campaign which opened March 1.

This year's \$875,000 goal will provide necessary operating costs for ten agencies, Michael Newton, executive director of the Arts and Education Council, told those attending the luncheon meeting.

Agencies include: the St. Louis Symphony Orchestra, Shaw's Garden, Kete (Channel 9), the Museum of Science and Natural History, Community Music School, Mark Twain Summer Institute, Young Audiences, Adult Education Council, Little Symphony and the Arts and Education Council of Greater St. Louis. All of these agencies, Newton pointed out, are available to the entire metropolitan area, including the more than 300,000 residents of Madison and St. Clair counties.

New chairman of the Edwardsville-Collinsville area is Mrs. John Rendleman, wife of SIU's chancellor. She succeeds Mrs. James L. Reed of Edwardsville.

Members of Mrs. Rendleman's committee are Mrs. Robert Richards, Mrs. Charles Schmidt, Mrs. Luis Ventura, Mrs. John Gilliam, Mrs. Richard Gilliam and Mrs. R. J. Spahn of Edwardsville, and Mrs. Andrew Kochman of Collinsville.

## SIU-SW Professor Seeks Qualified Negro Staff

"The black faculty member in institutions of higher learning is one of the most important and highly sought individuals in our society," according to Emil F. Jason, associate professor of chemistry and assistant to the chancellor at Southern Illinois University-Southwestern campus.

Jason speaks with authority on the subject, not because he is a black man with a Ph.D., but because of the nature of his job. An accomplished chemist with 14 patents and years of experience in education and industry, he has taken on the assignment of recruiting black faculty and staff at SIU-SW at the request of Chancellor John S. Rendleman.

When asked why he elected to spend three-fourths of his time away from his first love—chemical research, he commented, "I feel there is a great need to get more black faculty and staff in our college and university classrooms."

Because of the different environmental and educational backgrounds, he continued, "qualified black faculty can cement the relationship between black and white students."

He stated that if the present level of success is maintained in recruitment efforts, "SIU will soon become a model for other universities to pattern themselves after."

Jason cited the positive attitude of the administration and faculty toward the hiring of more black personnel and the growth potential of the campus as aids in recruiting.

He stated that if the present level of success is maintained in recruitment efforts, "SIU will soon become a model for other universities to pattern themselves after."

## 7 GCHS Band Students Win Superior Ratings

Seven Granite City senior high school band students received superior ratings at the State Music Contest, Class A and AA, held at the Mascoutah Community high school, Mascoutah on Saturday.

Soloists receiving the top rating and medals were Beth Sedbetter, oboe; Kenneth Boone, tuba; Laura McCommis, bassoon; Eric Mills, clarinet; Connie Koester, bass clarinet; and Kevin Nicol and Dennis Meyer, cornet.

The Brass Sextet composed of Kenneth Boone, tuba; Dennis Meyer, Jeffrey Jolly, cornet; Robert Froenling, French horn; and Wally Todd, trombone also received a superior rating.

Michael Teller received an excellent rating as a clarinet soloist. Accompanists were Miss Elsie Mayhugh, Carole Parker and Diane Bradford.

Louis E. Meek, supervisor of music, announced each of the participating band students were rated either superior, excellent, good, fair or poor. Medals were presented for the two top ratings.

## Miss Meyer Directing University Symposium

Ann Meyer of Granite City, a senior at Wake Forest University, Winston-Salem, N. C., is on the staff directing Challenge '69, a symposium on the urban crisis which is being held at the university today through Saturday.

The symposium is titled "The Urban Crisis—The Students Response." It features 18 nationally known speakers headed by Sen. Edmund Muskie of Maine. About 200 universities were invited to send delegates, and mayors of 250 cities were invited to attend.

Challenge is a biennial conference organized and directed by Wake Forest students. Staff members have been working on plans for the symposium for more than a year.

Miss Meyer, who is treasurer for Challenge, is the daughter of Mr. and Mrs. Paul F. Meyer, 2009 Garfield avenue. She is majoring in business administration.

## Annual Tree Planting By Local Girl Scouts

District Four Girl Scouts and Brownies from the River Bluff Council participated in a tree planting ceremony Saturday afternoon at Wilson Park. The pin oak tree was planted in

"area seven" near the skating rink. Mrs. Jackie Watkins of Neighborhood Three served as chairman for the event, which drew about 250 scouts and parents. Each of the five Neighborhoods was represented on the program, as were the four levels of scouting, with Brownies, Juniors, Cadettes and Senior Troops taking part.

### 'After the Prom' Dance, Breakfast Planned at YMCA

The YMCA Teen Town will sponsor an "After the Prom" dance on Saturday night, April 26, the night of the high school prom, from 2 to 5 a.m., to be followed by a breakfast.

Music will be provided by "The Rising Sons," with the admission fee of \$6 per couple, which covers both the dance and breakfast.

Admission to the dance will be by advance tickets only, with only prom couples eligible to attend. Tickets will be available at the YMCA Youth Office through Wednesday, April 23.

### Morris Named to Board Of Symphony Society

Southern Illinois University President Delyte W. Morris this week was named a member of the St. Louis Symphony Society Board of Directors.

President Morris was one of two newly-elected board members. The other is John L. Gillis, senior vice-president of Monsanto.

The Symphony Society's Board visited the Southwestern campus of Southern Illinois University Monday to announce plans for a special summer music festival.

To be known as the Mississippi River Festival, the six-week program will feature concerts by the St. Louis Symphony. In addition, there will be a series of popular folk and pop artists scheduled for weekday appearances.

The first concert by the Symphony is slated for June 20. Plans for a huge white tent to house a stage and room for nearly 2000 chairs were unveiled. Additional lawn area has been earmarked for 10,000 other patrons of the concert series.

## Scouts Preparing for 7th National Jamboree in July

Twenty scouts and two adult leaders from the Cahokia Mound Council, Boy Scouts of America, will attend the 7th National Jamboree July 16-22 at Farragut State Park in Idaho.

Located on Lake Pend Oreille, the jamboree overnight will become a tent city of more than 42,000 boys and adults.

Leaders of the jamboree contingent are David Parrish of Granite City, George Peo of Edwardsville and Richard Schade of Alton.

Parrish, who will serve as scoutmaster, is general superintendent of the G. H. Sternberg & Co. contracting firm. He has been a scoutmaster for over ten years, and is a holder of the coveted Internation Wood Badge training beads. He is a member of the council camping committee, is camping chairman of the Uniwah (Quad-City) district and has conducted several training courses.

Peo, scoutmaster of Troop 31, sponsored by St. John's United Methodist Church, Edwardsville, will be one of the two assistant scoutmasters of the jamboree troop. Prior to becoming a scoutmaster in 1963, he served as cubmaster of Pack 30 and as a member of the pack committee. He has participated as an instructor in various training courses and served as chairman of the 1964 cub leader pow-wow. He is a former teacher and counselor at Air Force Charter and Map Center, St. Louis.

Schade is a scoutmaster in Alton and will serve as an assistant scoutmaster for the trip. He has attended Wood Badge and Philmont Scout Ranch training.

Scouts, Explorers Chosen  
Boy Scouts and Explorers selected to participate in the jamboree so far are Don Menke, Carl Earls and Craig Maer, Post Six; Craig Tarpoiff, Steve Miller and Monte Lyons, Troop 15; Jon Gardner and Terrence Rupert, Troop 45; Duane Parrish, Troop 98; John Tarpoiff, Post 12; Dale Miller, Post 94; Robert Peo, Troop 39; John Genteman, James Firkus and Richard Kapp, Troop 40.

The jamboree will focus attention on the line of scouting in the present day. It is expected to "show the world that boys from all parts of the country can share and live happily together," officials report.

"Building to Serve," the theme of the jamboree, will be woven into many activities, with the hope that each participant will return home with the desire to "live the theme" through service to his church, school, scout unit, community and nation.

Among the major jamboree activities are opening and closing arena shows, an adventure trail, mountain hiking, swimming, canoeing, skill fields, conservation, youth forums, a friendship exchange, talent shows and many campfires.

Nationally known entertainers, speakers and visitors will be a part of the jamboree program.

18-Day Tour Planned  
The contingent from the Cahokia Mound and Piana Bird Lyons, Nancy Meadows, Diane Spohr and Cheryl Walls.

and will return home on July 25.

The trip will include visits to Mount Rainier, Victoria, B. C., Spokane, Glacier National Park, St. Paul and Chicago.

The scouts will travel by boat to Victoria, where they will see the Parliament Building and Totem Pole Park and swim in the indoor pool of the Empress Hotel, where they will have dinner in the grand ballroom.

In Seattle, they will visit the Space Needle and other points of interest. The all-day tour of Mount Rainier will include lunch and mountain climbing at Paradise Inn.

Total cost for the trip is \$383, which includes transportation, meals, tour, lodging, equipment rental and insurance.

A boy Scout must be at least 12 years of age as of Sept. 1, 1968, and have Star rank by July 1, 1969. Explorers must have been registered as a Boy Scout or Explorer on July 1, 1968.

Space Still Available

Scouts or Explorers who are interested in attending the jamboree should contact the Council Service Center, 878-0688, in Granite City, since additional space is still available for those wishing to attend.

Other scout leaders from the council who will attend are Council President Rollin Henn and Robert Winschiel, a district executive. Henn will serve on the jamboree health and safety staff and Winschiel will be a member of the jamboree "skill-rama" staff.

The Jamboree Committee of the Cahokia Mound Council, made up of the following members: Dr. M. W. Grimm, Collinsville, council vice-president and chairman of the committee; Victor Drexelius, Edwardsville, council vice-president; and John Solenberg, council activities chairman, and Col. Charles E. Hoskin III, Howard Kaseberg and Henn, all of Granite City.

### Life Saving Course Planned at YMCA

The Tri-City Area YMCA will present a senior life saving course starting Monday, April 7. Both Red Cross and YMCA courses will be taught. Requirements for the courses are a minimum age of 15 and ability to swim 150 yards using three different strokes.

The class will be divided into two groups and one will have a theory session while the other has a water session in the pool. Twenty hours of instruction are required to pass the course.

Instructors who will assist theory and practical sessions are David Williams, Fred McColgan, Kathy Darnier, John Collins, Watson, Gordon Quinn and Michael Tharp.

People who wish to take this course may register at the YMCA.

**ROCA OFFICERS** installed for 1969-70 this week by the club advisor, Earl Parsons, are, left to right—Tom Rushing, Ralph Thompson, Tim Moore, Dave Evans, Bruce Buttery. Mike Loftus is not shown.

**SPECIAL AWARD** recipients presented at the Roca meeting this week are, left to right—Rick Cardwell, retiring president, Tom Rushing and Ralph Thompson.

## Roca's Install Officers, Award Three Plaques

Installation of newly-elected officers of the Roca Young Men's Club was conducted this week in the home of Earl Parsons, club advisor.

Those installed were Dave Evans, president; Tim Moore, vice-president; Bruce Buttery, secretary; Ralph Thompson, treasurer; Mike Loftus, first director; and Tom Rushing, second director.

Rick Cardwell, the retiring president, presided at the meeting and closed his year of activity by introducing each of the new officers.

Guest speaker was Rich White, a former Roca president, now serving with the U. S. Army and enroute to a tour of duty in Vietnam. He spoke on the advantages of enlistment and early term of duty in the armed forces.

Announcements made during the meeting were of a meeting on Sunday in the home of Bruce Buttery at 7 p.m. to select a new spring sweetheart to represent the club, discussed an Easter egg hunt and a car wash as fund-raising project.

Special plaques were presented to Rick Cardwell as the outgoing president, Tom Rushing as outstanding member and Ralph Thompson, a special

honor in a Founder's Plaque. Parsons made the presentations. The members will observe Founders Week this week by performing an individual work project.

At the conclusion of the meeting refreshments were served to the members and guests, four current Roca Sweethearts, Deb Portell, Cheryl Brinkmeyer, Debbie Seebold and Pam Peters.

## 'Y' Sponsoring Trip To Baseball Clinic

The local YMCA is announcing an action baseball clinic featuring the pennant winning St. Louis Cardinals will be conducted for boys at Busch Memorial stadium on Saturday, April 19, at 3 p.m.

The clinic will cover all phases of the game of baseball including hitting, fielding, pitching and catching, as demonstrated by the field. Special attention will be given to the fielding and hitting portions of the program.

Transportation will be by bus to leave the YMCA at 1:30 p.m. and the first 40 persons to register will make the trip. "Y" members will pay \$1.20 and non-members and adults \$1.50 which covers both transportation and admission to the clinic.

Registrations are now being taken at the "Y" Youth department and the fee must be paid at time of registration.

The Cougar, SIU-SW mascot, is cared for by a special student group, "The Cougar Guard," which is responsible for its handling at public functions.

## KC Annual Spelling Bee Contest Set for Sunday

The annual Knights of Columbus spelling bee for students at six Quad-City parochial schools will be conducted at 2 p.m. Sunday at the Knights of Columbus hall, 21st street and Edison avenue. The public is invited to attend.

Two contestants, plus an alternate, are entered in the yearly spelling match from each local Catholic school. Represented will be St. Elizabeth, St. Margaret Mary, Sacred Heart and St. Joseph's schools in Granite City, St. Mary's school in Madison and St. Mark's school of Venice.

Dr. Leo A. Roman and Bill Irelan, K. of C. contest co-chairmen, today announced that Alfred J. Wilson, principal of Emerson grade school, will serve as emcee.

Judges will be Miss Helen Kuenstler, English department chairman, Granite City high school; Bob Burns, Central junior high school faculty member; Marion Bartoskiak, Granite City Press-Record; and Jack Mulach, Maryville grade school principal.

St. Joseph's school—James Rozycki, son of Mr. and Mrs. Eugene Rozycki, 2124 Delmar avenue; Rose Hildebrand, daughter of Mrs. Nell Hildebrand, 2109a Delmar avenue; St. Elizabeth school—Helen Gyarmati, daughter of Mr. and Mrs. John Gyarmati, 2549 W. Waterman avenue; Regina Mennerick, daughter of Mr. and Mrs. Reginald Mennerick, 629 Lincoln avenue; and Lou Ann Schwager, daughter of Mr. and Mrs. Wilson Schwager, 53 Janday lane.

Sacred Heart school—Debbie Salitch, eighth grade, daughter of Mr. and Mrs. Steve Salitch, 2872 Washington avenue; Debbie Berkshire, eighth grade, daughter of Mr. and Mrs. Wayne Berkshire, 2405 Iowa street; and Patti Morrison, seventh grade, daughter of Mr. and Mrs. Kenneth Morrison, 2428 Grand avenue.

St. Margaret Mary school—Connie Klobe, daughter of Mr. and Mrs. Elmer Klobe, 2915 Sunset drive; Cindy Schuler, daughter of Mr. and Mrs. Paul Schuler, 3237 Newell drive; and Nora King, daughter of Mr. and Mrs. Charles King, 2532 Fortune drive.

Dr. Roman noted that a large trophy will be awarded to the school whose contestant is declared the local winner, with the trophy remaining in the possession of the school until next year. Prizes also will be awarded to the top three spellers by the Press-Record.

The winner and runner-up will represent Tri-Cities Council 1068 at the county Knights of Columbus spelling bee, to take place at 7:30 p.m. Friday, April 25, at the Edwardsville Council 1143. The third place winner in this weekend's contest will attend the county competition as an alternate.

Tri-Cities Council 1096 will present plaques to the first two winners and each contestant will receive a medalion as a memento of their participation. Dr. Roman said. Additional awards also are to be made to the top spellers in the local contest.

Two eighth grade youths captured first and second place in last year's spelling bee. The 1968 winners were Kenneth Bezan, son of Mr. and Mrs. Thomas Bezan, 3148 Myrtle avenue, St. Margaret Mary parish; and Kenneth Klesh, son of Mr. and Mrs. John Klesh, 97 Riviera drive, a pupil at St. Elizabeth school.

Only two boys are entered in the 1969 contest from the six parochial schools.

MRS. DORIS STOLTZ  
2571 Hodges Avenue  
876-8044

Mrs. Jane Sartin, wife of Samuel Sartin, 2537 Hodges Avenue, is a patient at St. Elizabeth Hospital, Room 230, where she was admitted Sunday to undergo a series of tests. She is employed as a checker at the National food store.

A St. Patrick party was held at Niedringhaus school Monday afternoon for Junior Girl Scout Troop 539, led by Mrs. Mary Frantzko and Mrs. Joyce Law.

Granite City PRESS-RECORD  
Page 30 Thurs. Mar. 20, 1969

In charge of the festivities were Mrs. Queenie Ellett and Mrs. Mary Elmore, two of the scout mothers.

A flag ceremony by Kathy Lawson, Becky McCommis and Debbie Elmore called the meeting to order. Decorated containers were brought and are to be filled at the next meeting for the District Four "bunny box" project.

Mrs. Frantzko, who is Neighborhood Three chairman of the event, said the deadline for turning them in is March 28 at her home, 2622 State street. Patients at Alton State Hospital are to receive the Easter treats.

The scouts played records

and held a parade, following the directions of a recording "St. Patrick's Parade." A game was enjoyed and the winners were Gayle Gagich and Becky McCommis. The meeting adjourned with "Taps."

Pizza and a lime drink were served from a table draped with a white lace cloth and centered with a floral arrangement in green and yellow. In keeping with the holiday theme, shamrocks and Irish hats were at each place setting.

Other scouts present were Sue Ann Culp, Anasatia Ellett, Magdalene Frantzko, Joan Kraus, Kathy Stacy, Linda and Susan Thompson, Judy Vaughn and Elaine Williams. A guest was Michael Frantzko.

DAY CAMP DISCUSSED

Junior Girl Scout Troop 704, sponsored by the Webster PTA, met at the school Monday afternoon for a weekly session with the leaders, Mrs. Mae Lee and Mrs. Shirley Tervul. The scouts repeated the flag pledge and promise and sang "America," led by the Impossibles patrol.

The member discussed a tree planting ceremony in which they participated, along with a restaurant tour and a hike to Wilson Park. The outdoor activity ended the scouting birthday celebration.

Mrs. Lee distributed day camp folders and explained that the forms and money must be turned in to the district chairman, Mrs. Doris Votaw, 2705 Angela drive, by May 2.

An outdoor recreation period was supervised by Cadette Scout Karen Lee and the meeting ended with a disappearing tunnel. Answering roll call were Mary Kay Chapline, Tammy Coberly, Enid Cox, Tammy DePew, Denise Dickerson, Pam and Sharon Emring, Lisa English, Carole Griffin, Patty Harrington, Carmen Johnson, So-rina Kuhn, Karol Lee, Vickie Little, Donna Long, Anita McGee, Linda Pool, Leisa Tervul,

6-Week Series at SIU-SW

## Mississippi River Festival By the St. Louis Symphony

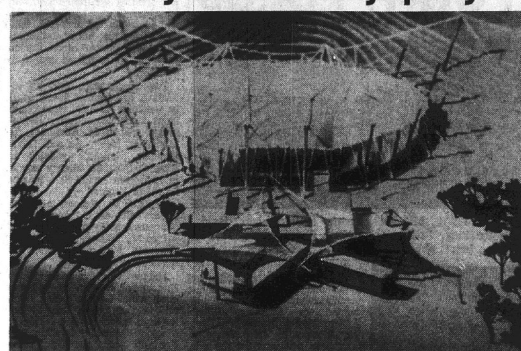

The St. Louis Symphony Society Board of Directors and Southern Illinois University-Southwestern campus today announced the formation of a Mississippi River Festival 1969. Featured will be the St. Louis Symphony in a six-week series of concerts beginning June 20 on the Southwestern campus of SIU. In addition, there will be a series of top folk and pop artists scheduled for weekday appearances.

Site for the concerts is on Lewis road. It previously was used by SIU-SW for graduation ceremonies.

The topography is gently rolling and provides a natural amphitheater. The location will be marked by colorful, helium balloons floating high above the festival site.

A tent, large enough for 1850 canvas chairs, will be located at the lower end of the amphitheater. It is designed so that all but the two main masts are eliminated by the use of an exterior support system. Ten thousand people seated on the sloping lawn area of the amphitheater will have an unobstructed view of the concert stage.

The stage will be approximately 60 feet wide and can accommodate a 90-piece symphony orchestra and a 100-voice chorus. It can also be modified

**HOME OF MISSISSIPPI RIVER FESTIVAL**—This is an architectural model of a huge tent to be used as the first home of the new Mississippi River Festival this summer on the Southern Illinois University-Southwestern campus. The tent will accommodate 1800 and there will be space under the stars for 10,000 people.

For other musical groups. For symphony concerts, acoustical reinforcement in the tent will not be necessary, but speakers will be placed throughout the lawn area. Dressing room facilities for

the orchestra will be located behind the tent. Parking for about 4000 cars will be provided in a level parking lot immediately across Lewis road. Persons may reach the parking area via University drive or

Bluff and Poag roads. Food service will be available with picnic tables and other accommodations planned. Anselvicius/Rupe and Larry Modlin are associated architects for the project.

PAPER DRIVE BY SCOUTS

Boy Scout Troop 20, sponsored by the Webster PTA, held a court of awards ceremony during their weekly meeting at the school Wednesday under the direction of Scoutmaster Tom Watkins. The program was opened with posting of the colors by the Cobra patrol and the

troop recited the pledge of allegiance and scout promise in unison.

Watkins announced that the troop is conducting a paper drive this weekend. A trailer will be parked at the Watkins home, 2643 Edwards street, for anyone who has a donation. The troop is also conducting a light bulb sale through any member or by calling 877-2182.

At the awards presentation, the following received merit badges and rank awards: Danny Hillberry, Mike, Danny and Gary Watkins, Doug Horton, Terry Wylie and Robert Knight. Scouts achieving tenderfoot rank were Mike Murgie, Hillary Keelin, Scott Seago, Robert McGee and Fred Werner. The Cobras retired the colors and the meeting adjourned for a recreation hour of dodge ball in the gymnasium.

## 20-Year Public Service By Present City Clerk

Homer "Cal" Pendleton said today that he is stressing the value of his 20 years of public service in his campaign for reelection as city clerk of Granite City.

"In 1965, after having completed 16 years as an assistant supervisor, I felt that my qualifications were in order to run for higher office. My reason for selecting the office of city clerk was that I felt qualified to serve our community in this capacity, and that I would do a good job if elected.

"My opponent in this year's election was also a candidate for city clerk in 1965. I believe I can rightfully assume that the reason I received more votes than Mr. Stevens then is that

our citizens felt I was the best qualified candidate.

"Having served for four years in this office, I am more qualified and experienced than in 1965, and am confident I can be of greater service during the next four years.

"My campaign promise of 1969 is that I will continue to be a good, full-time city clerk. In the event citizens see fit to reelect me April 1."

## 5-Day Easter Holiday For Venice Students

The Venice board of education, at a regular meeting Monday evening, declared Maundy Thursday, April 3, and Easter Monday, April 7, official holidays in the Venice school district.

Board members also adopted a resolution setting Saturday, April 12, for the annual school election, with Venice residents to elect two members to three-year terms on the board.

A single polling place will be located at the Venice grade school gymnasium, Broadway and Seventh street, Venice, where registered voters in the school district may cast ballots from noon until 7 p.m.

Final tax collection receipts, amounting to \$75,586, have been received by the district, Supt. John O. Pier reported. Amounts allocated to various district funds for the current fiscal year, including: education, \$56,115; building, \$9,238; transportation, \$1,784; retirement fund, \$1,066; bonds and interest, \$639; and working cash fund, \$988.

Repairs to pumping equipment connected to the Venice-Lincoln Technical Center heating unit would cost an estimated \$400, Supt. Pier reported. A recommendation was approved authorizing purchase of a new assembly unit for \$740 from Hester-Bradley Corp.

C. J. Schlosser, Alton accounting firm, was retained as 1969 school auditors at a fee of \$700, an increase of \$50 over the 1968 cost.

### Simon to Inspect Center

Supt. Pier announced that Illinois Lt. Gov. Paul Simon has accepted an invitation to inspect the Venice-Lincoln Technical Center at 4 p.m. Thursday, April 17. Establishment of a similar vocational-technical education center in the East St. Louis area currently is under discussion by state authorities.

A letter from Miss Bridget P. Steen, a former student teacher at Venice who has since received a high school teaching certificate, expressed appreciation for assistance and advantages she received while practicing teaching in the Venice district. Miss Steen recently was hired as a counselor at the Venice-Lincoln Center.

A letter from Illinois State University at Normal reported that Mrs. Josephine Davis, head of the Venice high school English department, has been asked to lead a workshop ses-

sion in October at an Illinois Association of Teachers of English seminar to be conducted at the university.

The school superintendent noted that Mrs. Davis recently participated in an linguistic workshop and received a certificate.

Payments totaling \$800 were authorized to 22 Venice teachers who worked during grade and high school basketball games in the past season. Venice teaching personnel are paid at a rate of \$10 a game.

Faculty members and the amounts authorized to each were: (high school) Ron Garschinski, \$90; Jack Gilmore, \$90; Omar Butts, \$30; Calvin Butts, \$30; Barbara Williams, \$30; James Gregg, \$30; Irene Hackett, \$20; Gary Craig, \$20; Hazel Smith, \$20; Albert Schaefer, \$20; Johnny Morris, \$20; Althea Cross, \$20; Margaret Boothe, \$20; and Georgia Falwell, \$10.

Grade school basketball—Robert Blattner, \$80; T. E. Savage, \$80; Willie Walker, \$80; David Kimbrell, \$30; and Sandra King, \$30; Burris, Garschinski, Helen Purkayle and Robert Dubnick, \$10 each. Blattner also worked three flag football games and was author-

ized to receive an additional \$30.

Noting that parents have organized car pools in some instances and that many of the other students are walking considerable distance to school, Assistant Supt. Robert N. Vickers said that parents should be commended for encouraging their children to attend classes despite hardship during the March bus strike.

Since school bus service was discontinued with the start of the strike earlier this month, absenteeism has been very high in the Venice district, he pointed out.

School attendance during February, however, did drop slightly from the previous month. Vickers said, Venice kindergarten attendance averaged 88.57%; in February, elementary pupils, 91.20%; and Venice high school, 91.89%. Overall percentage for the month was 91.31%, a decrease of 1.07% from January.

Monthly bills approved for payment totaled \$6730 from the education fund, including such amounts as \$265, Edway Foods, \$229, J & J Meat Co., meat; \$783, Aro-Dressel Dairy Co., milk; \$840, Cor-Kell Communications, laboratory equip-

ment; \$485, Simpson Paint Co., draperies; \$1711, Granite City school district, share of the special education program; \$167, Initial Teaching Alphabet, books; \$200, Dr. John E. Lee, dentist salary; \$200, Dr. J. C. Byers, physician salary; and \$153, Economy Sporting Goods, cheerleading uniforms.

Building fund bills authorized for payment amounted to \$1648 and included \$912, Illinois Power Co.; \$286, Southwestern Bell Telephone Co.; \$94, Venice fire department, fire extinguisher service; and \$246, East St. Louis and Interurban Water Co. Bills payable from the transportation fund totaled \$2088, including \$219, Yellow Cab Co., special transportation; \$1906, Bi-State Development Agency, bus service for February; and \$492, Galt Transport Co., athletic trips and pep club basketball trips.

Venice-Lincoln Technical Center bills, to be reimbursed from state and federal funds, amounted to \$3251, including payments of \$463, Illinois Power Co.; \$542, Venice Gas & Oil Co., fuel charges; \$1089, Bi-State Development Agency, services for February; \$131, Edway Foods, supplies; and \$113, J & J Meat Co.

### Two Cars Damaged

Two cars were damaged Monday in a collision at 20th street and Delmar avenue, police reported. The accident occurred when a car driven west on 20th street by Beverly J. Singleton, 2416 Madison avenue, and one driven north on Delmar by Steve Andrews, Edwardsville, collided in the intersection, officers said.

### Youths Assaulted

A boy with long black hair and wearing beads struck him, knocked him down and broke his glasses at the corner of 19th street and Edison avenue about 5 p.m. Monday, Joe Beier, 1942 State street, reported to police. Officers said the assailant had fled when they reached the scene.

### Window Sill Garden

Some gardeners get the jump on spring by starting their own petunias and marigolds.

Small spots of seedlings are not too decorative but do create an adventure in gardening as the small seeds produce a family of eager plants.

Timing is important to produce plants ready for transplanting without being too overgrown and spindly. The first of May is the planting goal for tender petunias and marigolds. A few gardeners insist the last days of April are "safe" to plant even though a late frost is always a distant threat.

Indoor seedlings reach an ideal size for transplanting when 4-5 weeks old. To cash-in on the late April date, your window sill garden can be planted in late March.

If you use butter tubs or sawed-off milk cartons, plant only 5-6 seeds in each. Treat the soil in the oven at 160 for an hour to kill weeds. Slightly cover the seed with soil or sand and wrap each tub or seed box in clear plastic to keep in the moisture. After the seedlings are up, remove the plastic and water lightly every day.

This same formula and date works for tomatoes, cucumbers and many garden vegetables too.

### Jaycees Homecoming Will be June 19-22

Granite City council members voted unanimous approval Monday night for the Granite City Jaycees to hold their annual fund-raising Homecoming festival for four days in June at the Nameoki Village shopping center.

The homecoming dates, as announced by Jaycee David Patton, chairman of the event, will be June 19, 20, 21 and 22.

### Income Tax Aid Here on Mondays

Agents of the Internal Revenue Service are available to give assistance in completing 1968 income tax forms each Monday at the city hall in Granite City.

They are located in offices on the third floor of the city hall building, 20th street and Niedringhaus avenue.

Hours on Monday are from 9 a.m. until noon and from 1 to 4 p.m. The final visit will be April 14.

### Record Center to Hold Grand Opening Saturday

The Johnny Edwards Record Center located at 2768 Washington avenue, will have their grand opening this Saturday from 9 a.m. to 9 p.m. All visitors attending the opening will be given a free record, for that day only.

John Edwards and Floyd Converse, partners in the business venture, announce regular hours will be from 9 to 9 on weekdays, Saturdays 9 a.m. to 6 p.m. and on Sunday from noon to 6 p.m. They plan to specialize in old-favorite selections as well as all new top ten records and accessories.

### Mrs. Elmore Returns From Regional Meeting

Mrs. Ruth Elmore, owner of the Merle Norman Cosmetics establishment at 1914 State street, returned home today after attending a three-day regional meeting in Philadelphia, Pa. The meeting attracted owners of the cosmetic firm who joined with the company representatives to discuss new ideas of selling and new make-up trends.

Accompanying Mrs. Elmore was Mrs. Joyce Adam, a cosmetic demonstrator employed by the local firm.

## GC Twp. Disbursements Amount to \$11,500

Township disbursements totaling \$11,500 were approved Monday night by Granite City council members in a town board meeting that preceded the regular council session.

Of the total, \$893 was for relief purposes and \$218 for town fund disbursements.

In other town board action, the council voted approval of a change in the polling place location for Precinct 18 in the April 1st township election. The polling place will be at 2900 Buxton avenue instead of at Willis Flower shop.

## Vandals Break Window

Vandals threw a brick through a storm window and window at the home of Paul Howard, 2525 East 27th street, police reported at 8:55 p.m. Monday. Howard told officers a lamp inside the room also was broken by the brick or flying glass.

## P-R will Publish Easter Programs

The Press-Record will publish Easter programs being conducted by churches throughout the Quad-Cities.

To compile the information for early publication, church pastors or secretaries are being asked to write out the information and either mail it to the newspaper office at 1815 Delmar avenue or bring it to the office. The deadline is next week.

Office hours are from 8:30 to 5 p.m., but there are drop slots alongside each of the front doors.

## Only 14% of Fund For Area Crime Study Approved

A \$20,770 grant under the federal government's Omnibus Crime Control Bill has been approved for a crime control study program in Madison-St. Clair-Monroe counties. It was reported Friday following a meeting of the Illinois Law Enforcement Commission in Chicago.

The grant amounted to only 14% of the \$142,000 requested by Southwestern Illinois Metropolitan Area Planning Commission as coordinator of the program. Estimated cost of the overall study program is \$157,200.

John Ellis, planner for SIMAPC, pointed out that the smaller grant may result from the fact that only three months of the current fiscal year remain and that further funds may be forthcoming after the beginning of the new federal fiscal year July 1. He said the present grant would be sufficient to initiate the study for this area.

## Famed Travelers Will Speak Here Next Week

Two of the world's most noted global travelers, Mr. and Mrs. Edward H. Tenney Jr., have been obtained as speakers for the March meeting of Travelers Abroad at 7:30 p.m. Monday, March 24, in the Prather junior high school library. Their topic will be "Asia."

Tenney is a senior partner in the law firm of Tenney, Dahman and Mathewson, St. Louis. His wife, Ellen, is commercial training supervisor on the general staff of Southwestern Bell Telephone Co. He was president and she was executive vice-president of the St. Louis Council on World Affairs from 1964 to 1966.

Their travels have taken them twice around the world, including Asia, Africa, Australia, Europe, the Scandinavian countries, Mexico, South America, most of the larger Caribbean islands, Russia and other "iron curtain" countries.

They are members of Societe Francaise, the Japanese-American Citizens League and many other national groups in St. Louis, and when abroad always try to speak the language of the country they are visiting.

In 1965 they escorted a delegation from the Religious Heritage Association, an all-faiths group, to Africa to present an award to Dr. Albert Schweitzer on his 90th birthday. They have an "adopted" boy in a school in India and a godson in Sweden.

Leaders in world politics courses and other study groups, they have served for many years on committees to welcome and entertain foreign visitors in this region.

Tenney was chairman of a Stuttgart-St. Louis Sister City Committee and of the Bar Association World Peace Through Law Committee. Mrs. Tenney is active in United World Federalists and the United Nations Association.

## Use Separate Checks in Paying 2 Federal Taxes

Anyone paying two federal taxes at the same time should be sure to pay them with separate checks.

Jay G. Philpott, Internal Revenue Service district director for central and southern Illinois, asks all taxpayers who make such payments to use separate checks or money orders to avoid possible billing errors.

The IRS processing system, taxpayers who send one payment for two returns sometimes discover their account is not properly credited. The entire payment could be credited to one tax and a bill issued for the other.

Philpott said, "If one check or money order is sent for two types of taxes—for example, a 1968 estimated tax payment and a 1968 tax balance due—and the two returns are separated for processing, the payment might be credited to only one tax, leaving the other tax unpaid."

He explained that in such a situation, one tax would be overpaid and a refund issued, while on the other tax a bill would be sent to the taxpayer.

He suggested that taxpayers put their Social Security number on all checks or money orders sent to IRS to make sure the payment is credited to their account. Business taxpayers should put their Employer Identification number on the checks.

**30-Minute Zone, Load Limit Set By GC Council**

Ordinances establishing 30-foot, 30-minute parking zones at 23rd street and Washington avenue and setting a five-ton load limit on Mitchell avenue were approved Monday night by Granite City council members.

During the meeting, several requests were made for preparation of other control ordinances.

Nott called for a five-ton load limit to be set in the 1600 block alley between Cleveland and Delmar avenue to halt the movement of heavy construction equipment by S. M. Wilton & Co. and from its storage yards in the 1600 block of Cleveland.

He said there are several homes along the alley which are being damaged by the heavy equipment and that the firm can instruct its operators to use Cleveland blvd. instead of the alley.

Robertson requested an ordinance be prepared to prohibit parking at the southwest corner of 30th street and Madison avenue near the high school as a safety measure. He said the recommendation was made by the chief of police.

Requested by Alderman Whitmer was an ordinance to set penalties for destruction of city property. He pointed out Police Chief Ronald Veizer had gone through the city code of 1959 and subsequent amendments and could find none.

Council members authorized Police Chief Veizer to apply for a state-federal matching fund grant of \$9115 to update the city traffic code to be compatible

## Council Debates Poll Judge Meals—Again

Meals and voting privileges for city election judges on April 1 became debated issues during Monday night's meeting of the city council.

After a long discussion on the merits of food, selection and prices, the council finally agreed to seek bids for two meals—not just sandwiches—with a limit of \$3.50 for each polling place judge.

First proposed was a meal allowance of \$3.50 for each judge, with the individual to make their own selection of food from a restaurant of their own choice, and then it was suggested the money be given to the aldermen to buy meals for judges in the precincts of their wards.

There are five judges in each polling place and for the city election there will be 31 city precincts.

A motion was made by Alderman Nomm for the aldermen to buy the meals with a limit of \$3.50 for each judge, but the proposal was challenged by Moerlein, who questioned the legality of the aldermen carrying out such charges.

City Atty. Scroggins agreed that neither the aldermen nor the judges should be given meal money, but rather that bids be sought.

Alderman Farnley also objected to Nomm's motion, saying he believed the city should call for bids and that the council should reserve the right to select the meals to be served.

The vote on Nomm's motion ended in a tie, and Mayor Farnley voted against it.

Favoring purchase of the meals by the aldermen with city funds were Bartosik, Boyd, Poulos, Gen, Basarich, Nomm, Robertson and Davies. Opposed were Moerlein, Dallas, Whitmer, Rutledge, Fry, Farnley, Jarrett and Johnson.

Farnley then made a motion for seeking bids and setting the \$3.50 limit for two meals for each judge. "We don't want

sandwiches; we want hot meals. His motion was approved 12-to-4, with Whitmer, Fry, Davies and Johnson opposed.

Before the roll call, Davies remarked, "I know this may sound silly, but there were judges in the Feb. 11 primary who definitely did not like chicken and did not like pork. We should do something about this."

There was an indication there would be a more selective menu for the April 1 city election.

Alderman Bartosik told council members that he had been informed by County Clerk

Eulalia Hotz that township election judges would not be permitted to leave the polling places to vote in the city election in areas where there will be two polling places.

"They're going to have to vote in the city election by absentee ballot, and this doesn't seem right to me. They've always been given permission to leave to vote, and it's almost like denying them their right to vote. It seems like a lot of extra work, when in the past the system has worked out without any difficulty."

The matter was referred to the city attorney for an opinion.

## Red Cross Help Overseas to U. S. Servicemen is Cited

A serviceman is needed at home. A tornado devastates a community. A flood inundates a town. A fire wipes out a neighborhood. A patient may die if blood is not provided immediately.

These are emergencies in which people need help and need it fast. And they get it fast through the American Red Cross, the Tri-City chapter is emphasizing in its local observance of March as Red Cross Month.

"There are few people in the U. S. today who have not benefited in some way from the Red Cross," Chapter Chairman Bernard Pinney commented today.

School students learn first aid and swimming skills, home nursing is taught, blood is collected for medical emergencies. Red Cross workers provide welfare and recreation services to military personnel around the world. The Red Cross rushes teams of trained workers to scenes of disaster.

"In South Vietnam, 30 other

foreign countries and the U. S., the American Red Cross annually assists one of every three U. S. servicemen. Red Cross messages to and from South Vietnam in behalf of U. S. servicemen average nearly 1100 a day.

A total of 370 Red Cross workers is serving American troops at more than 60 locations in South Vietnam, and additional workers are assigned as needed; 26 are serving U. S. troops at nine locations in Thailand.

"Theme this month is 'Support Our Servicemen and Support Our Services.'"

Link to Armed Forces

Chairman Pinney, who is director of personnel services at St. Elizabeth Hospital, reported that the American Red Cross "is the instrument chosen by Congress to help carry out the obligations assumed by the United States under certain international treaties known as the Geneva or Red Cross Conventions."

"Its Congressional charter imposes on the Red Cross the duties to act as the medium of voluntary relief and communication between the American people and their armed forces, and to carry on a system of national and international relief to prevent and mitigate suffering caused by disasters."

"All the activities of the Red Cross and its chapters support these duties."

Volunteers Govern, Serve "Nationally and locally, the Red Cross is governed by volunteers, most of its duties are performed by volunteers and it is financed by voluntary contributions."

In 1967-68, he noted, 107,600 servicemen received Red Cross service each month at 2140 military posts and 111 military medical facilities here and overseas, a 22% increase in the number served.

Loans and grants to servicemen and their families totaled \$12,917,100. Each month, 315,700 U. S. servicemen participated in recreation programs provided by clubmobile workers.

Chapters served one in every five families of servicemen during the year.

Message Every Minute A total of 699,100 emergency welfare messages was transmitted at an average rate of one every minute to and from overseas by the Red Cross to relieve the anxiety of members of the armed forces and their families.

Servicemen also were rendered to 8000 veterans and their families, with a monthly average of 34,800 case services provided. The Red Cross gave assistance in 1470 chapters to 26,200 families who were victims of 18,600 disaster-type emergencies, and major programs were carried out in response to four hurricanes, 43 tornadoes, 20 other storms, 58 floods, 347 fires and 37 other disasters. Blood donations totaled 3,008,400 and there were numerous first-aid, water safety, nursing and youth activities.

As a pilot program for the gifted children in the Granite City school system and the parochial schools in this area, sixth grade students are being instructed in a typing class at Frohardt school each Monday

after school from 3:15 to 4:15.

Mrs. Wanda Groothuis and Mrs. Doris Dulgeroff, members of the Granite City Chapter of National Association of Gifted Children, serve as volunteer instructors for the class of about 60 children.

Enrollment for the class is closed as they are now in the fifth week of the session and students continue to the close of school. Each student provides his own typewriter.

The local chapter of NAGC is one of ten chapters in the United States and the first one in Illinois. Any interested adult may attend the meetings held the third Tuesday of each month at Grigsby Junior high school at 7:30 p.m.

## False Report Charged

George Romi, 19, St. Louis, was arrested by Madison police on a disorderly conduct charge early Tuesday morning after the youth allegedly made a false report to police. Authorities said Romi went to Venice police headquarters about 2 a.m. and reported he had been attacked in a tavern there. A short time later Romi reported to Madison police that he had been attacked in a Madison tavern. Police said they checked the reports and found there had been no trouble. The youth posted \$25 cash bond pending hearing.

# Goals Include Revitalization of City's Central Business District

(Granite City Long-Range Plan)

Additional community goals and objectives developed in the preparation of a long-range development plan for Granite City:

D. To revitalize the Central Business District.

The city presently has an enormous investment in its Central Business District (CBD), and must upgrade the environment if the CBD is to compete successfully with neighboring commercial centers.

In order to revitalize the CBD, large numbers of people must be attracted to its stores, shops, offices and places of business.

This can be accomplished in part by "building in a market" of high-density apartments at the periphery and by centralization of municipal and professional services in the CBD.

E. To develop an efficient street and transit system for movement of people and goods within, to and from the community.

Development of the street and highway system should be done in a coordinated manner so that the movement of people and goods will be in safe and efficient contact with overall community needs.

Access to and from the CBD must be improved and any vehicular-pedestrian conflict must be minimized.

F. To promote efficiency in the use of land.

It should be noted that land available for future expansion of Granite City is limited by various physical features and patterns of existing development.

Efficiency in the use of land will help to conserve land resources and will minimize costs of public services and utilities.

The future growth and development of the community should, for the most part, be an outward extension of the existing city to the north and east.

G. To develop and implement a vigorous annexation policy.

At present, this policy is not aggressive. The city is agreeable to annexation but may not take enough initiative.

Definition of the advantages to be obtained for the additional taxes paid there (such as additional taxes) may provide incentive for peripheral areas to annex.

Granite City is to experience a significant population increase and control more effectively the development in adjacent areas. It will have to re-evaluate its present annexation policy.

Access to and from the CBD must be improved and any vehicular-pedestrian conflict must be minimized.

## 50 YEARS AGO

MARCH 20, 1919

Odd Fellows and Rebekahs of Madison, St. Clair and Monroe counties will gather April 19 at the Assembly Hall, 18th and State streets, here to celebrate the 100th anniversary of the founding of the two organizations in this state. Hosts will be the Granite City, Madison and Nameoki lodges.

Went Bauer during the past six years has paid out \$14,000 to fortune tellers of St. Louis is an effort to locate a mythical fortune which the seer told him was buried on one of his farms in Madison county. A trap was set and the advisors were placed under arrest.

He had been told that a light would appear above a \$70,000 treasure whenever the spirit forces were strong enough to disclose it.

He was told it was necessary to look for the treasure through crystal clear water and that such water could be found only in Florida, making it necessary for the clairvoyant and her husband to go there, with Bauer financing the trip. They recently returned from spending the winter in Florida.

## 25 YEARS AGO

MARCH 20, 1944

A capacity crowd of Democrats celebrated St. Patrick's Day at St. John's Evangelical Church with a dinner at which were made by U. S. Senator Scott W. Lucas and Thomas J. Courtney, state's attorney of Cook county who is unopposed for the Democratic nomination as governor. Those who heard Courtney described him as "able, fearless and witty."

Local industrial volume was described as fitting a city of 285,000 in a talk to the local Chamber of Commerce by George C. Smith, St. Louis C. of C. president.

Lieut. Glenn T. Moran, 24, of 2643 Iowa street, has been awarded the Air Medal for 10 months of service as a pilot of a P-47 Thunderbolt fighter. He has a brother, Ensign George Moran, with Naval forces in the Pacific.

## The FORUM

### MADISON TAVERN HOURS ATTRACT UNDESIRABLES

To the Editor:

Are the streets of Madison safe? Do the merchants of Madison have a guarantee that when they close up for the night they won't be robbed before morning?

Can you or any member of your family walk safely down Madison streets after dark? According to the news in the local paper, crime is on the increase in the area.

Why is Madison a particularly ripe target for out-of-town undesirables? Is effective law and order in Madison stumbling?

Why does Madison have an increase in out-of-town and out-of-state visitors, especially on weekends?

Could one of the answers be that Madison late tavern hours draw into our town certain undesirable elements? Would it be possible to assume that these characters are in search of more booze and other activities that take place in towns with late tavern hours?

Why does the city liquor commissioner allow this condition, that draws riff-raff into our town, to exist?

Let's all hope that the night life in Madison will turn toward a more rational and reasonable direction. The city law enforcement officials will have to order all the justice.

MADISON VOTER

### MARTINEZ YOUNG, ACTIVE

To the Editor:

Joseph Martinez, candidate for Fifth Ward alderman, is young and energetic. He has two fine young boys whom he wants to bring up in the proper environment. He aspires to be a heavy in our neighborhood by building a new home at 1814 Spruce street.

He would promote a much-

needed playground for youngsters and encourage them to discourage young, new civic activities — from area improvement to athletics.

He has lived in Granite City from childhood. He works at the Union Division of Miles Laboratories and is an official of the union. He is also a member of the blood bank and has an honorable military discharge.

Some of the benefits from electing Martinez as alderman would be promotion of programs in lighting, sidewalks, etc.; full support for a playground for youngsters, cutting

down vandalism, building up character and pride in providing an outlet for their tremendous energies; better communication between aldermen, precincts and other city officials; direct back to the individual citizen; more of our tax money back to the ward in improvements.

## Steel Import Quota Issue—Jeopardize Or Safeguard High U. S. Standard of Living?

"We live in a world where our competitors, the other industrialized nations, have caused us to test our steel not only our high standard of living and high wage rates. It is time our foreign trade policy was adjusted from the middle-1930s to conform to the real world of 1969."

These comments by N. P. Veeder, Granite City Steel Co. chairman and chief executive officer, at a regional economic conference of the American Iron and Steel Institute hit the nail on the head. Unfortunately, the drive led by Sen. Dirksen and others for steel import quotas seems to be losing out in national policy discussions, with emphasis placed instead on some sort of agreement which might be abandoned at an inappropriate time.

Once upon a time, America used advanced know-how and equipment to outpace the production of other nations in both quantity and quality. It just isn't so any longer.

The level of wealth and earning power in our general population is a real blessing, and unprecedented in the history of the world. But to lead ourselves into thinking there need be no relationship between this prosperity and our import policy is unrealistic—and extremely harmful to steel firms and workers here and elsewhere.

As Veeder says and as the record of soaring steel imports shows, "Theoretical generalizations on free trade simply do not apply to concrete industry. It's a special problem." We urge Sen. Percy to note this fact and add his influence to the steel quota effort.

## Ice Skating Rink a Center of Warmth, Fun, Healthful Exercise in Its Second Season

The season which came to an end this week at the Wilson Park recreation center firmly established ice skating as a favorite leisure and athletic activity among local residents.

Attendance was down from the first year, due primarily to the adverse economic effect of industrial strikes during the heart of the skating season. But injuries decreased sharply as both youngsters and adults developed increasing expertise.

Suggestions from veteran skaters for the next season include regular cleaning of the ice between sessions, the middle of the week and a half-hour sessions. This would assure "fresh ice" for those arriving at the start of a session, as well as separating the skating periods to reduce congestion among those removing and donning skates. Perhaps operation of the renewing machine can be improved to reduce variations in the level of the ice.

The program presented Monday evening illustrated three phases—racing, figure skating and ice hockey—which are expected to garner increased interest here to go with the already widespread enthusiasm for recreational skating.

The first two years of operation have proved conclusively the wisdom of the plan to seek the "best of both worlds"—an open-air effect combined with a roof to shelter the ice from rain and snow. Daily operation was possible, and the environment was much like that found on lakes and streams in the more perilous skating of past years.

It was a bit chilly on some days, but this is one of the refreshing aspects of the sport, which brings a tingle to the body and a rosy hue to the complexion. By its nature, skating enables participants to keep warm as long as they do not pause too long between their excursions across the ice—and the warming room and hot chocolate were always nearby.

## State Needs Include Roads, Job Training, Homes, Law Enforcement

By GOVERNOR RICHARD B. OGILVIE

Republicans share the proud heritage of their party's first president, Abraham Lincoln. As Republicans from the state and cities which molded his character and legacy is doubly enriched.

This legacy imposes on us a great responsibility. We in Illinois, more than anywhere else in the country, are the political heirs of the man who has been described as the only perfect Republican.

What is that responsibility? It is not an easy question to answer, because Lincoln is not an easy man to categorize. In our complex age, when each of us has a number stored somewhere in a Washington computer, Lincoln defies categorization.

To be sure, there is something in the life and words of our 16th president to satisfy every political taste. He was, as Carl Sandburg said, a man of "steel and velvet, as hard as rock and soft as driftwood." He held in his head and mind the paradox of terrible storm and peace, unpeakable and perfect.

It is not easy to pigeonhole a man who said, just as the nation was about to take arms in the most bitterly divisive struggle in its history, "my policy is to have no policy." Let me suggest an avenue to understanding his meaning for our own troubled times.

What I have in mind is perhaps the only common thread linking those men in history whom we call great. It is the thread of the individual who, in the face of the demands of his present.

Beyond the problems of continuing the services traditionally provided by state government, there are emerging from the complexities of our modern age new demands.

These include a staggering need for new housing, job training for the poor, solutions for the problems which grow despite an increasingly prosperous economy, a need for developing whole new educational systems, and new measures to cope with the tragic problem of crime.

The common denominator running through the catalog of our difficulties is the need for funds. Although money alone will not solve all our problems, it will be needed — and in large amounts — to pay for the solutions which we must devise.

The challenge is ours. And so long as I am your governor, we will meet the challenge. But it cannot be done by government alone.

## Kent Holsinger Is Medic in Vietnam

Kent Holsinger, 25, son of Mr. and Mrs. Norman Holsinger of Rural Route Two, Collinsville, former Granite Cityans, is now serving as a medic with the U. S. Army in Vietnam. Prior to going overseas he received a promotion to Specialist Five while stationed at Fort Leavenworth, Kan.

He enlisted in September 1967 and expects to receive his release from the service upon completion of his duty in Vietnam.

Holsinger would like to hear from his friends in this area. His new address is: Sp/5 Kent Holsinger, 23rd Medical Headquarters Co. A, Americal Division, A.P.O. San Francisco, Calif. 96374.

## GC Police Clear 55 Major Crimes in Month

Fifty-five major criminal cases were cleared by arrests by Granite City police during February while 170 major crimes were committed during the month, according to a report by Chief Ronald Veizer.

The number of major crimes for the month was up by 30 over February of last year, while cases cleared by arrests were up by 32.

There were no cases of criminal homicide or forcible rape during the month, while last year one rape case was reported in February.

The crimes included robbery, five up five, with two cleared; assault, two, same, with one cleared; burglary, 47, up 26, with 36 cleared; larceny, 72, up four, with four cleared; and auto thefts, 21, down five, with three cleared by arrests.

There were 148 traffic accidents in the city during the month, up 39. There were no fatalities, down one from the same month last year, but 47 persons were injured in 37 of

the accidents and property damage was valued in 11 mishaps. In February last year, 43 persons were hurt in 25 accidents and 83 involved property damage, down nine.

For the first two months this year 263 accidents were reported, with one fatality, same; 104 persons injured, up three; and 211 involving property damage, down nine.

There were 211 arrests during the month, down 45, including 147 traffic arrests, down 76; 64 other arrests, up 31; and total charges of 243, down 35. In the first two months of the year there were 394 arrests, down 126, including 272 traffic arrests, down 175; and 112 other arrests, up 49; with charges totaling 388, down 103.

The department answered 1286 complaints during the month.

## Carroll Glisson, 39, Expires at Staunton

Carroll Franklin Glisson, 39, of Rural Route Two, Staunton, an employee of Reilly Tar & Chemical Corp., died Sunday at 5:50 a.m. at the Community Memorial Hospital in Staunton, Ill. for one year he had been a patient in the hospital for two months.

He was born in Manila, Ark., and had lived most of his life in Granite City, moving to Staunton nine years ago.

Mr. Glisson was a member of the Livingston Baptist Church. He was well known in the area as a softball player having played with the Alwood-Marks team in Alton.

Survivors include his wife, Lorena, and seven children: five sons, Dennis Carroll, William David, Donald Ray, Bruce Dwayne and Douglas Franklin Glisson; two daughters, Donna Sue and Deborah Faye Glisson; his parents, William Roy Glisson, Alhambra, and Mrs. Effie Calahan, Livingston; a brother, Daniel Lee Guymon, Manila, Ark.; and two sisters, Mrs. Benjamin (Juanita) Triplett, Elsabrante, Calif., and Mrs. Martin (Elizabeth) Whitworth, Alhambra.

Funeral services were held Tuesday. Further information is given in today's obituary column.

## Grain Program Signup Deadline Tomorrow

Lee Rogers of the Madison county ASCS office urged farmers of the county to sign up for provisions of the 1969 feed grain and wheat programs to insure they don't overlook benefits available only to those who participate.

"These programs are voluntary and you must sign up by March 21 to be eligible for benefits. These benefits are: availability of price support loans, price support payments, acreage diversion payments and higher prices resulting from a better balance between supply and demand for the commodities," Rogers said.

Further details on the program are available at the ASCS office in Edwardsville where payments and participation options available for each farm will be figured on request.

"Yields have increased this year," Rogers said, "and payments are better this year than ever before."

## SIMAPC Commissioners To Hear State Officer

C. Bernard Carey, assistant director of the Illinois State Department of Public Safety, will be the featured speaker this evening at the quarterly dinner meeting of the Southwestern Illinois Metropolitan Area Planning Commission.

The event will take place at Sunset Hills Holiday Inn, starting with a 6:30 p.m. social hour. Dinner is scheduled for 7:30 p.m.

A former FBI agent, Carey, an attorney was appointed to his present post by Gov. Richard Ogilvie. He serves under Public Safety Director Herbert D. Brown in a special assignment to incorporate all investigative functions of the state government.

## Council Approves \$231,434 Bill List

A bill list totaling \$231,434 was approved Monday night by Granite City council members who also accepted notices of extra receipts totaling \$70,303 from sales tax and the state motor fuel tax fund.

The major item on the bill list was a payment of \$211,219 to S. M. Wilson & Co. for storm sewer construction. The project engineer, H. W. Lochner, Inc., was paid \$2475 for inspection.

Other major expenditures were \$4255 to Illinois Power Co. for street lighting during February, and \$2339 to Aetna Life Insurance Co. for employees' insurance premium for February.

The extra income included \$54,000 sales tax for December and \$15,398 motor fuel tax allotment for February. Alderman Robertson noted the MFT allocation was off about \$8000 for February.

In separate action, the council adopted three resolutions for fund transfers within three budget accounts—parking meters, air pollution control and sewage treatment plant.

## Injured Marine Potts At Great Lakes Hospital

Marine L/Cpl. David B. Potts, 20, son of Arley Potts, 1808 State street, who suffered shrapnel wounds to his legs and a back injury in Vietnam last month, has arrived by evacuation plane through Scott Air Force Base and is now at the Great Lakes Naval Hospital.

The Marine's father and a younger son were able to visit with the serviceman briefly at Scott Field and reported the Marine "in fine spirits and very happy to be back home." His condition is listed as satisfactory.

L/Cpl. Potts was hospitalized in the military hospital at Da Nang, Vietnam for 23 days and spent two weeks at the U. S. Naval Hospital on Guam before being transferred to the U. S.

He has served in Vietnam, in the De-Militarized Zone area, since last July.

Friends may write the serviceman at:

## Books Sought for Libraries At Schools in Granite City

An intensive book collection campaign is under way this month by the Granite City Chapter of the National Association for Gifted Children.

All books collected will be reviewed by librarians and teachers and used to help develop the libraries of the schools, especially the library at the new Grigsby junior high school.

The condition of the books is not a factor. Any type of book, paperback to professional, will be accepted. Those not suitable for school use will be donated to the organization which sends books to servicemen overseas.

# Next Phase of Johnson Rd. Project Planned for Mid-1970

Improvement of the second section of Johnson road from Franklin avenue around the curve to Pontoon road probably will not be started until June 1970, the city engineer told Granite City council members Monday night.

The engineer, Kenneth Kieberger, pointed out the city has the Michigan and Troy avenue projects to begin soon with motor fuel tax funds, and that with other commitments, there will be only about \$100,000 MFT reserve next Jan. 1.

The first phase of Johnson road, the improvement from Carlson to Franklin avenue, cost \$258,000, with a supplemental resolution for an additional appropriation of \$7,000 MFT approved Monday night for extra work in tree removal, curb and gutter removal, driveways, sidewalks and retaining walls.

## Possibly 2-Step Job

Alderman Farmley asked the engineer if the second phase could be carried out in two steps to divert the traffic still that resulted from the Carlson to Franklin avenue project.

He suggested that the first step be from Franklin avenue around the curve to Gary avenue. Farmley pointed out that there presently is no other route for residents along Edgewood drive and in that area to get to Pontoon road from their homes—if Johnson road is closed—unless they go miles out of their way.

The engineer said state highway department officials are expected in the city this week for the Michigan-Troy avenues bid opening and he will review Farmley's suggestion with them.

The city was advised by the state highway department of its approval of sections of eight streets arterial thoroughfares for which motor fuel tax funds can be used for maintenance.

Those approved were—Nameoki drive from 27th place to Circle drive; Circle drive from 28th place to Nameoki drive; 26th place and 27th place from Circle drive to Nameoki drive and 28th street from Circle drive to Nameoki drive, all in North Granite; Thirteenth street from Granite avenue to Edwardsville road; Oakland avenue from Melrose to Braden avenue and Braden avenue from Pontoon road to Oakland avenue.

Streets not approved because of their residential classification were Melrose avenue from Oakland to the north city limits, 29th street from Circle drive to Nameoki drive; 29th place from Circle drive to Nameoki drive.

An ordinance was adopted setting specifications for new concrete streets and sidewalks. Local contractors and subdivisions are to be sent copies of the new and more rigid specifications by the city clerk. The new bill will require developers to provide core tests to the city.

Alderman Fry called for the distribution of the copies to advise anyone now planning developments of the new requirements. "If anyone is in the process of getting bids for street or sidewalk work, they will find the work more costly with these new regulations and should be advised as soon as possible."

Alderman Bartosiek called for consideration of improvement to 28th street between Washington avenue and Ralph street, a distance of one block. He recommended curbs and a rock surface, explaining that the street now is used extensively by northbound traffic seeking another route to Nameoki road.

Three bids for razing a vacant lot at the intersection of the lot at 2330 West 23rd street were opened during the meeting and the contract was awarded to Charles Clark on a bid of \$400, provided he meets requirements to be set forth in the contract for leveling the lot and carrying liability insurance. Other bids were \$845 by George Brimm and \$894 by R. N. Jarrett.

## To Honor General

On a motion by Alderman Robertson, a resolution is to be prepared for forwarding to General Andrew J. Goodpaster, native Granite City, for bringing worldwide recognition to the city through his outstanding military career and recent appointment as NATO and U. S. Commander in Europe.

"He certainly has earned the recognition of this community with his remarkable duty to his country," Robertson remarked.

On a recommendation by Mayor Partney, the city allocated \$250 of the animal shelter funds for installation of a unit to dispose of animals. The mayor said the unit was purchased with \$500 paid by the city and donations by interested citizens and that the added \$250 is needed to require an electrician and pipefitter.

Approval was given for Robertson.

ert Jackson, sewage treatment superintendent, is to address a conference to be held in Springfield April 21-23, sponsored by the state Sanitary Water Board, with an allowance of \$85 for expenses.

## Cost Figures To Be Sought To Enclose Ditch

Cost figures are to be requested for enclosing a paved drainage ditch along East 23rd street, Granite City council members decided Monday night; but they indicated it was unlikely the project would be carried out because of the expense.

The suggestion was made by Alderman Rutledge, based on complaints received from residents along East 23rd street and the need to keep the ditch from becoming a dumping ground.

Alderman Bartosiek said that when the drainage project first was outlined, piping for the major trunk was proposed, but the added cost was estimated at \$1,500,000. The overall project to serve only a section of the city is costing \$3,000,000. "The cost would be prohibitive," he stressed.

Rutledge replied, "Frankly, I don't see how we can do it, but we should know what it would cost."

Moerlen commented that he noticed that pipes were provided along the ditch for entrances to plants, but he agreed that to enclose the ditch now would prove too costly.

Joining the discussion, Alderman Whitmer said the paved ditch is to be fenced, which should eliminate the hazard to youngsters and also prevent dumping debris into the channel. "The Nameoki area ditch has been open for years and runs right through residential areas and there's never been a mishap. I see no problem along East 23rd street with the fence."

He was answered by Alderman Fry, who said the Nameoki area drainage ditch is a source of complaints from worried parents. "It's not even fenced and presents a never-ending hazard."

Alderman Norn said the city should cooperate with the Levee Board in a move to install pipes along the Nameoki area ditch, and council members voted to send a letter to William Eberold and Joseph Grant, local levee board members, offering the city's aid in seeking state and federal funds for the work.

"While you're at it," Fry remarked, "why not try for a ditch at the east end of the city along the Alton & Southern Railroad tracks was opened in the original master plan so we can get rid of the water from Dobry slough and other areas and keep our sanitary sewer lines from breaking."

Norn stressed that the city is assured of levee board cooperation and that steps should be taken immediately to get the Nameoki area ditch enclosed and dredged. "I understand that it has silted over the years and now is higher than the outlet at the lake."

## Marine Skaggs Off Critical List

Marine Cpl. Gary L. Skaggs, 19, is no longer on the critical list at the Philadelphia Naval Hospital, according to a telegram received by his mother this week from hospital authorities.

The youthful Marine, son of Mrs. Gladys Counts, 2713 Washington avenue, has been listed in critical condition since suffering serious wounds in Vietnam on Jan. 19 and undergoing amputation of both legs.

"We are very happy that Gary is not considered critically ill anymore," Mrs. Counts said. "He wants to thank everyone again for being so wonderful to both of us. Many local people have sent donations which have helped us."

Mrs. Counts spent almost two weeks at the Philadelphia hospital with her son, returning home earlier this month. Travel arrangements were made by the Tri-City Red Cross Chapter, while the Quad-City Navy Mothers Club was responsible for finding her accommodations during the visit.

The Granite City Jaycees, American Legion Post 113 and individual citizens also sent gifts to the wounded serviceman and assisted the mother in making the trip.

Friends may write the Marine at:

# Pamela Irwin Wins In Verse Contest

Pamela Irwin, a junior at Granite City high school, has been notified she is one of nine winners in the original verse contest sponsored annually by the Wednesday Club of St. Louis. She will attend a ceremony on April 2 at which time awards will be presented. A tea will follow.

As a sophomore, Pam served as one of the editors of "Outlook: GCHS," the high school literary magazine. This year she is one of six juniors nominated for National Council of Teachers of English Achievement Awards and next month will take examinations which enable her to compete on the national level.

Pamela is the daughter of Mr. and Mrs. Timothy Irwin, Rural Route One.

## Veteran Aid Program Planned by Jaycees

A program to assist returning servicemen become integrated into the community by helping them find jobs and re-acquainting the veteran with various services offered in the area will be undertaken by the Granite City Jaycees who hope

to underwrite the project with funds derived from the second annual "Jaycee Burger Days." Richard Dawdy, Granite City Jaycee president, this week announced that the local chapter plans to sponsor a "Veteran's Assistance Program," adopted

earlier by the national and state Jaycee organizations. Details of the project are being finalized and will be disclosed shortly, he added.

To finance the program, the young men's service club will hold two benefit events in cooperation with the management of two local Burger Chef drive-in restaurants, located at 2642 Madison avenue and 1118 Madison

avenue, Madison, Dawdy said.

The public will be asked to patronize the restaurants on Sunday, March 30, in Granite City, and Saturday, April 12, in Madison, when Jaycee members will operate the facilities and receive a percentage of the profits.

Dawdy said that Wayne Siegrist will serve as general

chairman of the Jaycee Burger Days project.

Others appointed to posts for the benefit days include: Head chefs—Larry Patton, morning tour, and O'Neill Smith, afternoon; cooks—Bill McAmish, Norvell Cooper, Louis Fraser, Robert Schmidt, Paul Freeman, David Moser, Floyd Peterson and Ronald Pennell.

Cashiers—Stanley Noe, David

Grindstaff, Fred Haldeman, Joseph Nemeth, Charles Hayes, Donald Bowles, Robert Jones; head custodian—Victor Wetherholt, assisted by Albert Delay and Stanley Brown; and supplies—John Fornazewski and Earl Warnhoff.

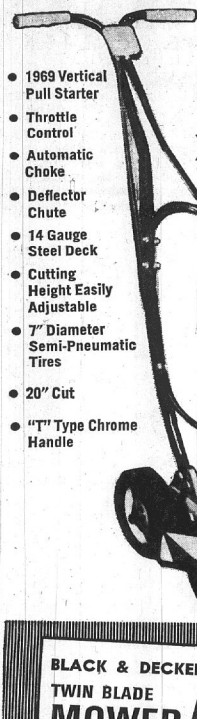

Entertaining visitors at the restaurants will be Gary Davis, James Jeffries and Harlan Muskhoff, performing as clowns,

and public relations for the event are being handled by Boyd Presley, Earl Dotzner and Dawdy.

Proceeds from the initial Jaycee Burger Day project last year were used to purchase playground equipment for a recreational area established by the Jaycees in the West Granite area.
